Folding Instructions:

1. Fold paper
in half along
wide side

2. Fold paper in
half again

3. Your card is
ready!

In your honor, I gave a gift with meaning...

Business Training Skills

Women whose lives have been disrupted by violence use business skills training to help them start a new life. Through our comprehensive business skills training, we provide women with the tools they need to become businesswomen. Giving women hands-on training in the basics of business—like how to market your products, knowing your customers, and providing quality and consistent goods—allows women to become economic providers for their families and contributors to their community's economic development.
