# How do you make the best better? **ADD EFI TECHNOLOGY.**

Introducing Confidant EFI, the ultimate mower engine now with electronic fuel injection (EFI). So why EFI? It increases your uptime, saves you cash\*, reduces maintenance and starts so easy it's hard to believe. Any other questions?

## **SAVES TIME AND MONEY**

- Uses significantly less fuel than a carbureted engine, saving you time and cash at the pump

## **PROVEN DURABILITY**

- Battle-tested to meet KOHLER® Command PRO® durability tests
- Cast-iron cylinder liners protect under dirty conditions

## **MORE RELIABLE**

- KOHLER® EFI technology automatically optimizes for bad fuel quality
- Starts like your car—Just turn the key and go

## **THE BRAND YOU CAN TRUST**

- Backed with a 3-year limited commercial warranty

\*Compared to a comparable KOHLER carbureted engine under comparable loads and duty cycles. Based on 600 hours of annual operation.
