

CATALOGUE

TV | Bracket | Soundbar | TV Antenna

A close-up, low-angle shot of a brushed metal component, likely a TV bracket or soundbar part. The component is dark and has a fine, horizontal brushed texture. The word "ENGLAON" is engraved in a clean, sans-serif font on the upper surface of the component. The lighting is dramatic, highlighting the metallic sheen and the texture of the brush.

ENGLAON
12V TV & TV Accessories

INDUSTRY 1st

12V Google Smart Television

Englaon has been a trusted brand in Australia's mobile leisure industry for over a decade. Englaon Televisions are purposefully crafted for Australia's outdoor leisure industry, with a focus on operating seamlessly on 12/24V DC and mains AC voltage. Our commitment to excellence is evident in the highest specifications implemented across all our products, incorporating the latest technology.

EXPERIENCE & SUPPORT

Englaon is dedicated to delivering outstanding customer experiences and support. With fast processing and seamless, speedy delivery, we offer an extensive product range to cater to diverse needs. Our goal is to provide the perfect solution for our customers' specific requirements.

We understand the importance of responsive customer service. Our dedicated team is available to assist you every step of the way, whether you have a question, need help with product selection, or require technical support. At Englaon, we prioritise your satisfaction and strive to exceed expectations with our innovative, reliable, and high-performance solutions.

Experience the Englaon difference and let us be your trusted partner in achieving success.

 Play Music & Video

Android TV

Apps that you will love

Personalised entertainment at your fingertips. Discover curated movies and shows that align with your interests. Immerse yourself in your favorite series and explore uncharted worlds. Enjoy a tailored streaming experience, designed just for you.

Chromecast Built-in

Brings you the entertainment that you love

Use your mobile device to stream your favorite shows, movies, music, sports, games, and more to the big screen.

1,000+ Chromecast-enabled apps
200,000+ TV shows and movies
30,000,000+ songs

Experience the convenience of your phone as a simple yet powerful remote. Effortlessly access your favorite TV shows and playlists by opening familiar mobile apps, without the hassle of new log-ins or downloads.

Take control from anywhere in your home, using your phone to search, browse, queue, and navigate your TV content seamlessly. Enjoy uninterrupted usage without disrupting the current playback or draining your phone's battery.

Bluetooth

Connect a Bluetooth device to your ENGLAON smart TV

No time for tangled wires? Simply pair your smart TV with Bluetooth-enabled devices like your head units, phones, headphones or external speakers.

Unlock a world of wireless entertainment

Experience effortless connectivity with our Bluetooth-enabled TVs, effortlessly linking to other Bluetooth devices like sound bars and speakers.

Englaon Voice Remote

Control your Smart TV with voice commands!

The new Englaon voice remote has Intelligent Voice Recognition technology allowing you to control your TV and use Apps like Netflix and Prime Video. It also works with Google Home, automate and control thousands of compatible devices in your caravan or home.

Key Features

- Intelligent Voice Recognition
- Netflix, Youtube and Prime Video Hot Keys
- Works with Google Home

Vibration Resistance

Ensuring an immersive and disruption-free viewing experience

Enjoy your favorite shows and movies with unwavering confidence as our quality-tested TVs provide unmatched visual clarity and uninterrupted entertainment on the go. Sit back, relax, and embark on a journey filled with unparalleled viewing pleasure, no matter where your adventure leads you.

Learn more

Surge Protection

Safeguard your investment with advanced surge protection

TV has been specifically designed to not only work with constant DC voltage of 12V but also withstand voltage fluctuations from 10V to 30V. This smart power management along with round loop isolation protects your TV by auto turning off in case of irregular voltage input.

- USB Port: for direct playback of MP3 files
- Built-in surge protection
- Full function Remote Control
- Unit dimensions: 480mm x 60mm x 60mm
- Weight: 800g

WIRELESS AUDIO TECHNOLOGY:

The built-in Bluetooth feature allows for easy connection to all of our Bluetooth TVs. It also connects to any other Bluetooth enabled devices such as your iPad or smartphone.

DETACHABLE BRACKET:

The portable soundbar comes with a detachable mounting bracket for easy installation. Simply fit below the TV to save space in your caravan, truck, RV or home.

ETA200-WB200H

Full Motion Swivel TV Wall Bracket for 20"-43" TVs

This slimline bracket comes with a locking pin for secure travel, and is suitable for mounting any TV between 20" to 43"

More info

SPECIFICATIONS:

- VESA: 75mm x 75mm, 100mm x 100mm, 200mm x 100mm, 200mm x 200mm
- TV size: 20"-43"
- Tilt angle: 5° up and 15° down
- Swivel angle: 180°
- Distance to the wall: 78mm - 330mm
- Product Dimensions: 247mm x 70mm x 247mm
- Weight Capacity: 15kg
- Weight: 850g

ETA100-WB100H

Slim Full Motion Swivel TV Wall Bracket for 10"-30" TVs

This slimline bracket comes with a locking pin for secure travel, and is suitable for mounting any TV between 10" to 30"

More info

SPECIFICATIONS:

- VESA: 75mm x 75mm, 100mm x 100mm
- TV size: 10"-30"
- Tilt angle: 5° up and 15° down
- Swivel angle: 180°
- Product Dimensions: 115mm x 100mm x 78mm
- Weight Capacity: 15kg
- Weight: 750g

ETA380HV

360° OMNI Directional DTV Antenna, Extra Vertical Antenna for 720° Reception

This premium antenna allows you to watch all your favourite free-to-air shows. Picks up TV Signals up to 80km (vertical and horizontal)

More info

SPECIFICATIONS:

- Frequency Range: FM 87-108MHz, VHF 174-230MHz, UHF 470-862MHz
- Built-in High Gain & Low Noise Pre-Amplifier
- Built-in Gain Adjuster & Signal Booster
- Waterproof housing & UV resistant
- Power Injector with Gain Control
- Max output level: 110dBμV
- Antenna Gain: 38dB
- Impedance: 75Ω
- Noise Figure: <3dB
- Power: 12V – 24V DC
- TV Set Max: 2

ETA380HVII

OMNI Directional HDTV Antenna

Designed for digital and analog terrestrial HDTV broadcasting reception. Its anti-UV, waterproof housing guarantees superior performance, making it ideal for outdoor and caravan usage.

More info

SPECIFICATIONS:

- Frequency Range: 87.5-230MHz, 470-862MHz
- Receiving range: VHF/UHF
- Built-in high gain & low noise amplifier
- Waterproof housing & UV resistant
- Antenna Gain: 32dB max
- Max output level: 102dBμV
- Impedance: 75Ω
- Noise Figure: <3dB
- Power: DC 12V 50mA
- Specially compatible with HDTV of digital terrestrial DVB-T/T2 signal
