

WHOLESALE PARTERSHIP

HoReCa & Corporate offering of coffee machines

• TORREFAZIONI
CAFÉZALONI
• MILANE

Cafezal is the word in Portuguese for 'coffee plantation', recalling Brazil as the biggest coffee producing country

At the Cafezal is where the coffee tastes are created by mother nature through the dedication of millions of farmers

We select and roast top-quality specialty coffees. Every coffee is roasted according a meticulous check of roasting profiles to offer the best of each product regarding taste, body and flavor

Cafezal envisages to do 100% direct trade, rewarding farmers who succeed in achieving product excellence by working in partnership with nature. We believe the only way to achieve excellence is through fair sourcing

Our goal is to offer to our clients the finest experience in tasting coffees and democratize specialty coffee!

We want our customer to have the full experience of tasting completely different products. Curious people deserve to have the sensation of experiencing the world of coffee moving from country to country over several of the most prestigious 'Cafezals' around the globe

Join the project!

**EUROPEAN
COFFEE AWARDS**

Cafezal Via Solferino 27

Cafezal Viale Premuda 14 - COFFEE HUB

OUR ROASTERIES

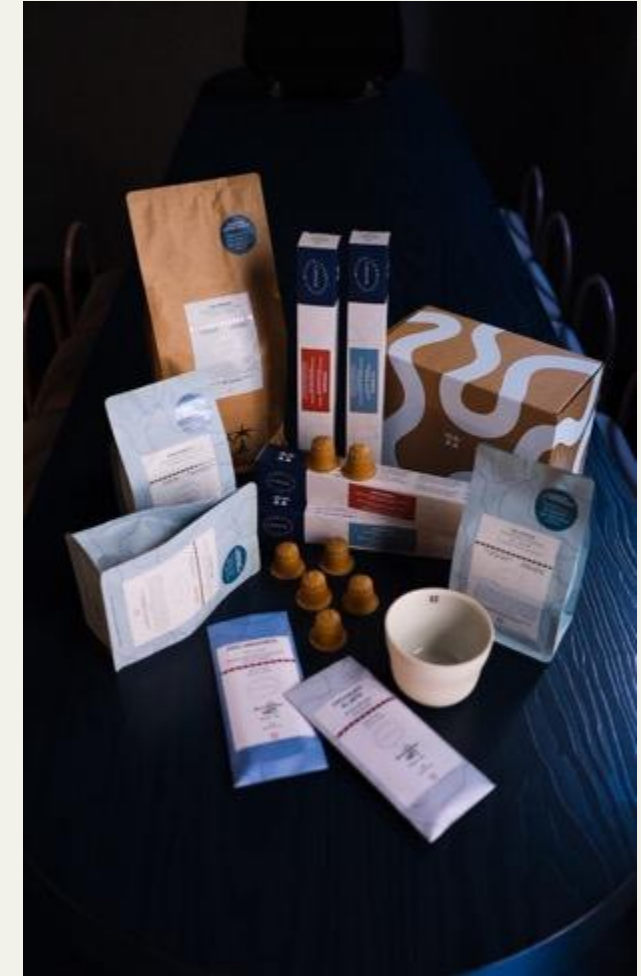

Cafezal owns 2 factories for coffee production, one outside Milan and another in the heart of the city of Milan

We can supply large volume customers, always keeping flavours and quality of our specialty coffees

Our city-center factory is called Coffee Hub a place where customers can experience the roastery world in a very modern environment

PRODUCTS

Cafezal counts with a large range to coffee products, like 250g and 1kg coffee bags, coffee pods, artisan chocolates and brewing accessories: home to professional use

Cafezal is the first Specialty Coffee company roasting in the heart of Milan, since 2017. Your advantages:

- ✦ Get the quantity of coffee you actually need = fresh coffee (no need of large volume purchase)
- ✦ More than 10 specialty coffees regularly available, fulfilling your and your customers' needs
- ✦ Service and maintenance include in the package = “plug and play” solution, no need to work with 3rd party services
- ✦ Professional consulting support to your baristas; either in your business or in our Coffee Hub (Coffee Academy) in Viale Premuda

We provide you pod machines for our capsules

Ready and easy to use

We provide you automatic machines for our whole specialty beans

Easy to use with very little need of cleaning

We provide you super automatic machines for our whole specialty beans

Easy to use for high volumes and with very little need of cleaning

We provide professional espresso machines, in order to express the best of our coffees

Demanding operation with low volumes, but for the best extraction

We provide high-end professional machines, in order to express the best of our coffees

Demanding operation with high volumes, but for the best extraction

Offers can be fully adjusted to your needs: need of different machines, quantities, maintenance support

Cafezal is the only provider offering consulting around how to brew and prepare your coffee
