

**WHOLESALE OFFERING**

• TORREFAZIONI  
CAFÉZALONI  
• MILLANESE •

Cafezal is the word in Portuguese for 'coffee plantation', recalling Brazil as the biggest coffee producing country

At the Cafezal is where the coffee tastes are created by mother nature through the dedication of millions of farmers

We select and roast top-quality specialty coffees. Every coffee is roasted according a meticulous check of roasting profiles to offer the best of each product regarding taste, body and flavor

Cafezal envisages to do 100% direct trade, rewarding farmers who succeed in achieving product excellence by working in partnership with nature. We believe the only way to achieve excellence is through fair sourcing

**Our goal is to offer to our clients the finest experience in tasting coffees and democratize specialty coffee!**

We want our customer to have the full experience of tasting completely different products. Curious people deserve to have the sensation of experiencing the world of coffee moving from country to country over several of the most prestigious 'Cafezals' around the globe

Join the project!
