

BEAR TEAMWEAR - SIZING GUIDES

Important Notes: The below sizing information is intended as a guide only.
 Our teamwear garments are hand stitched. Please allow for a tolerance of 2cm in the below sizings.
 Due to colour pressing processes, bespoke sublimated garments have less flex/stretch than standard cut & sew garments.
 Our female fit playing and training shirts provide a fitted feel, tapering in to the waist and then out over high hip down to hip line.
 Our cricket slippers are designed and manufactured with a figure hugging fit. Our cricket long sleeve jumpers have a standard fit.
 Our 1/4 Zip Midlayers are designed and manufactured to have a more figure hugging feel, as a midlayer garment.
 All our trousers and trackpants come complete with hemmed leg finish.
 Our Hoodies are designed and manufactured with a relaxed fit feel.
 Our padded softshell gilet are designed with a standard fit feel. Our softshell hybrid jackets have a more relaxed 'over garment' fit.
