

## Survey Areas

Five areas have been identified for specific survey. If you sign up for an area, please survey its fields once per month. More frequent records are welcome.

Ideally, 3 or 4 people will sign up for each area so that weekly records are supplied.

The boundaries are not rigid. If you see geese in fields beyond your area please note them also. All records are useful.

Surveys should be carried out from September to March.

To sign up for an area, please contact Stuart Macpherson on (01620) 827242 or email [smacpherson@eastlothian.gov.uk](mailto:smacpherson@eastlothian.gov.uk)

Please return records to the SOC, Waterstone House, Aberlady by end March 2011.
