

MR  
JAMES

## THE BRAND

Mr. James is a European bespoke brand that contributes to precision tailoring and one of a kind ensembles. The founder originating from Manchester, UK is bringing his British Savile Row expertise in each and every one of his hand crafted suits. Our philosophy is creating an experience that is intimate and detailed focus from start to finish. The craftsmanship is a European cut with both British & French influenced using the bestfabrics from around the world, on the modern day aman. Creating your own Mr James suit starts from a blank canvas and having your ideas and design come to life.

'Around the Clock' Spring 2018 collection features the dapper man in a suit for all occasions from all work to play hard. Mr James is worn all hours of the day that expresses masculinity and confidence. After that 5 o'clock drop, Mr James goes out in a sophisticated yet polished suit making a statement when he walks in the room. The man screams power and time for him to play. The world is his playground.
