This summer, I hope to participate in the Alberta Action Sports (AASA) *Take Over Tour*. I will join a bus full of other action sports enthusiasts on a city wide skate park tour, to build positivity in the community and wholesome recreation for anyone looking for an outlet. The funds collected will go to support events, programs, coaches, and athlete development in action sports: scooter, BMX freestyle, freestyle MTB, skateboard, inline (roller freestyle), around the province from beginner to Olympic levels. **I hope you can help by sponsoring my riding.**
