Do you need to return a product?

If you are planning on returning a product, you shall do it within the first 10 business days after receiving your parcel. The product that you are willing to return must be in perfect condition, with the tag. The customer is responsible for covering all extra fees and return costs before sending it back to our company.

Do you have any issues?

In case of a damaged product, please do inform us by mentioning it in the form and return it back to us. If we evaluate it to be damaged, we can replace it. In that case, the return cost is on us.

Reasons for the return:

- A= I changed my mind.
- B= It does not fit.
- C= Wrong product.
- D= Damaged product.
- E= Other. (Please specify in comment section)

***Refunds are not supported on discounted products**

Please fill the following and place the return form into the parcel with the products you're returning.
