

CHALLENGER SERIES

COOLER

BY PROFORMX™

INSTALLATION INSTRUCTIONS FOR **CHALLENGER SE** AND **CHALLENGER HD**

STEP 1

Open compartment lid and set storage cooler box in place.

Latch opening in storage cooler box must face rear.

STEP 2

Using pre-drilled holes in storage cooler lip as a guide, drill 4 holes using a 1/8" drill bit.

STEP 3

Using supplied screws and #2 Phillip's screwdriver, mount storage cooler as shown.

Install supplied drain plug as shown.
