THE ENCHANTED COLLECTION

The Enchanted Collection seeks to convince you that the beguiling magic of yesteryear's lore is still very much alive and well in the world of today...that a golden lock and key still guard that which is precious, that a bouquet of roses, thistle, and clover will always bring you luck, and that "life itself is the most wonderful fairytale." Glimmering gilded edges, cascading silk ribbons, and breathtakingly detailed illustrations will have you second guessing whether or not these paper beauties were, indeed, made for kings and queens of mystical lands far, far away...

THE ELLIE COLLECTION

We haven't met an elephant we didn't love. So we decided it was time to make a stunningly beautiful desktop collection featuring our favorite pachyderm. Our first foray into hardcover journal bindery, The Ellie Notebook will make you feel as though you've brought a small piece of the library along with you during your daily travels. Red foil adorns all elements of this collection, and even the backs of the stationery envelopes feature foil-stamped ink splotches, inkwells, and fountain pens for some added whimsy. May Ellie inspire you to adorn all parts of your day with a touch of sophisticated cuteness!

WILD RIDE/ CLASSIC CARS COLLECTION

With the help of vintage-clad leopards, giraffes, toucans, and alligators driving gorgeous foil-stamped, golden-aged vehicles, our "Wild Ride/Classic Cars" desktop collection not only celebrates the ferocious beauty of our physical world, it reminds us to KEEP GOING. Book-bound hardcovers, satin ribbon bookmarks in corresponding pastels, wide varieties of notepad sizes with perforated top edges, and foil-stamped everything (including envelopes!) are just a few of the reasons to go positively wild for this luxuriously whimsical set.

Our Oceanica collection is an unapologetically pastel, bewitchingly beautiful, enchantingly literary, downright glistening ode to the mysterious and awe-inspiring world beneath the water's surface. If the puns aren't enough to reel you in (we're hilarious!), it'll be the Octopus Toile and Underwater Ball patterns that inspire you to 'live deeply'. And in the spirit of preserving and protecting our precious water world, a portion of all Oceanica proceeds goes to SeaLegacy, a remarkably innovative non-profit run by true ocean warriors.
