TRUE

MCMXCVI

Fall is upon us which means the youth are nose deep in assignments and lectures. In fact, you know it's cozy weather time because Drake just dropped another album. So as a relief for the cooler weather and a cooler way to weather the semester or quarter,

True has developed a School Daze collection. Complete with fall color palettes and comfortable, athletic inspired fleece pieces, this collection is aimed to get you through dreary mid-terms in style and as always in support of your financial aid budget.
