HAMAS IS THE PUPPET

A PROPHETIC WARNING

by Freddy Ramirez

"Let my enemy be exposed as wicked! Let my adversary be proven guilty! What hope do people without God have when life is cut short? when God puts an end to life? Do you think God will listen to their cry for help when disaster hits? What interest have they ever shown in the Almighty? Have they ever been known to pray before?"

Job 27:7-10 MSG

" Hamas is just the puppet being controlled by a string" was one of the first things God showed me as I began to pray over the Israeli-Hamas situation. We were all deeply saddened by the attack of innocent Israeli lives by the terrorist group, Hamas, on October 7th.

As I saw the news of the attack, I had a strong sensation that this would not be the end. In the same way these terrorists wanted to attack Israel, so I saw a plan to attack America.

This war goes much deeper than what we currently have public information on as I saw a greater mastermind than just Hamas leadership. I saw a uniting of different terrorist organizations plotting to carry out more attacks on both Israel and the United States.

I saw a shadow mastermind—an international leader who is working vigorously to bring other terrorist organizations, mercenaries, and even certain governments in support of Hamas to fund and support the evil terrorist agenda. This shadow figure who operates from the background is intentional about masking their identity and involvement.

As Israel fights back, this will become a war where intel will become very important.
