Made in Italy

MR. LINEA, brilliant for his simplicity and his sense of humour, extremely modern and unconventional, was --created by Osvaldo Cavandoli in 1969.

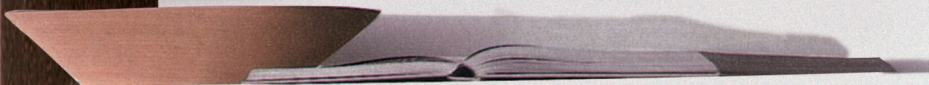

The following year, he became, in Italy, one of big attractions of "Carosello", the star of one of the most beautiful TV adverts ever shown.

MR. LINEA, essential and divested of all the most important forms of expression communicates with gestures, kindness and blusters. Created by just one LINE, this character can be, justifiably, considered one of the more amazing pop art creations.

MR.LINEA, génial par sa simplicité et par son humour, extrêmement moderne et hors du commun, fut imaginé par Osvaldo Cavandoli en 1969.

A partir de l'année suivante il devint, en Italie, une des grandes attractions du « Carosello » (émission de messages publicitaires des années 60), car protagoniste d'un des spots publicitaires les plus beaux jamais diffusés à la télévision. Essentiel, privé des plus importants moyens d'expression, MR. LINEA communique avec ironie à travers ses mimiques, sa sympathie et ses bravades. Composé d'un seul trait, ce personnage peut être considéré, avec raison, une des plus incroyables oeuvres du pop art.
