A film is - or should be - more like music than like fiction.
It should be a progression of moods and feelings.
The theme, what's behind the emotion, the meaning,
all that comes after. Scorsese

Among the "jewels" of the long-awaited 2008 Collection: "NESPOLO Textile Art". The product of the collaboration between the artist UGO NESPOLO, the highest expression of the "art of colour" and MYCROM, the first "NESPOLO Textile Art" Collection, a selection of the most significant posters created by the Master, now proposed on fabric and mounted. Collector's posters, where the puzzle-effect, characteristic of the works of Nespolo, returns, and where the predominance of colour, further enhanced by the "warm" support of fabric, attract even more attention. But above all, where Nespolo's art is reserved also in the world of communication and approaches popular culture in an attempt to penetrate the layers of indifference. UGO NESPOLO's works are characterised by an evident sense of irony, by an accentuated streak of transgression and by a particular sense of fun, which have become his personal trademark. "NESPOLO Textile Art" by Mycrom comprises eleven subjects and is dedicated to passions: Music, Literature, Sport, Movie, Architecture, Numerology, Collecting. Each print is commented with a sentence by famous personalities.

Nespolo

Nasce dalla collaborazione fra l'artista UGO NESPOLO, massima rappresentazione dell' "arte del colore" e MYCROM ART, la prima Collezione "NESPOLO Textile Art", una selezione dei Manifesti più significativi realizzati dal Maestro, oggi proposti su tessuto e opportunamente intelaiati. Manifesti da collezione dove ritorna l'effetto-puzzle, caratteristica delle opere di Nespolo, e dove la prepotenza del colore, esaltata maggiormente dal supporto "caldo" del tessuto, sollecitano ancor più l'attenzione. Ma soprattutto dove l'arte di Nespolo si riversa anche nel mondo della comunicazione e si propone alla cultura popolare nel tentativo di penetrare gli strati d'indifferenza. I lavori di UGO NESPOLO sono caratterizzati da una spiccato senso dell'ironia, da una accentuata vena trasgressiva e da un particolare senso del divertimento, diventati il suo personale marchio di fabbrica. "NESPOLO Textile Art" by Mycrom Art, raccoglie 11 soggetti dedicati alle passioni: Musica, Sport, Cinema, Architettura, Letteratura, Numerologia e Collezionismo. A commento di ogni tema la frase di un personaggio famoso.
