KUBOTA EPA ENGINE

The mini skid steer BEX-2 equips with 25hp Kubota EPA Engine (D1105-EF02) to provide powerful and outstanding work performance.

USER-FRIENDLY JOYSTICK

The mini skid steer BEX-2 features an intuitive joystick that makes it easy to operate the machine and control the bucket movements.

SMALL EQUIPMENT WIDTH

The mini skid steer BEX-2 is around 1m/3.28 ft equipment width so it can enter and work at small/narrow space.

STABLE CRAWLER BELT

The crawler belt design is good for uneven, soft and rocky soil environment.

AUXILIARY HYDRAULIC CONNECTION

Three auxiliary hydraulic connection can connect with various attachments/tools to meet your different work requirements.

CONNECT WITH PALLET FORK

The BEX-2 can connect with pallet fork to lift/carry materials.
