

KEEPER

With its high-contrast color scheme and minimalist silhouette, Keeper is punchy, fresh, and bold. But with Moondrake's Moko Moko, style doesn't come at the cost of comfort. This silk merino blend is light, warm, and as butter-soft as the inside of a brand-new fleece.

Keeper's construction is "seamlish" - all the main construction is done seamlessly, with finishing only at the top and sides of the pocket and to complete the hood facing for the drawstring.

CONSTRUCTION

Keeper is worked top down. You'll begin with a provisional cast-on for each shoulder, working the front and back flat to the underarm, and in the round after that.

The kangaroo pocket is knit separately and joined at the bottom by knitting it together with the body. The shoulders are joined with a 3-needle bind off, and the sleeves are picked up and worked in the round.

The pocket is grafted at the top and the sides are sewn. Stitches are picked up and worked for the hood, and then a folded edge is picked up and worked for the hood edging.

SIZES

PICK A GARMENT SIZE

Choose the size closest to your actual upper chest measurement.

Upper chest is measured above the full bust, at an angle close to diagonal beneath the underarms, and straight across the back.

PICK A CUP SIZE

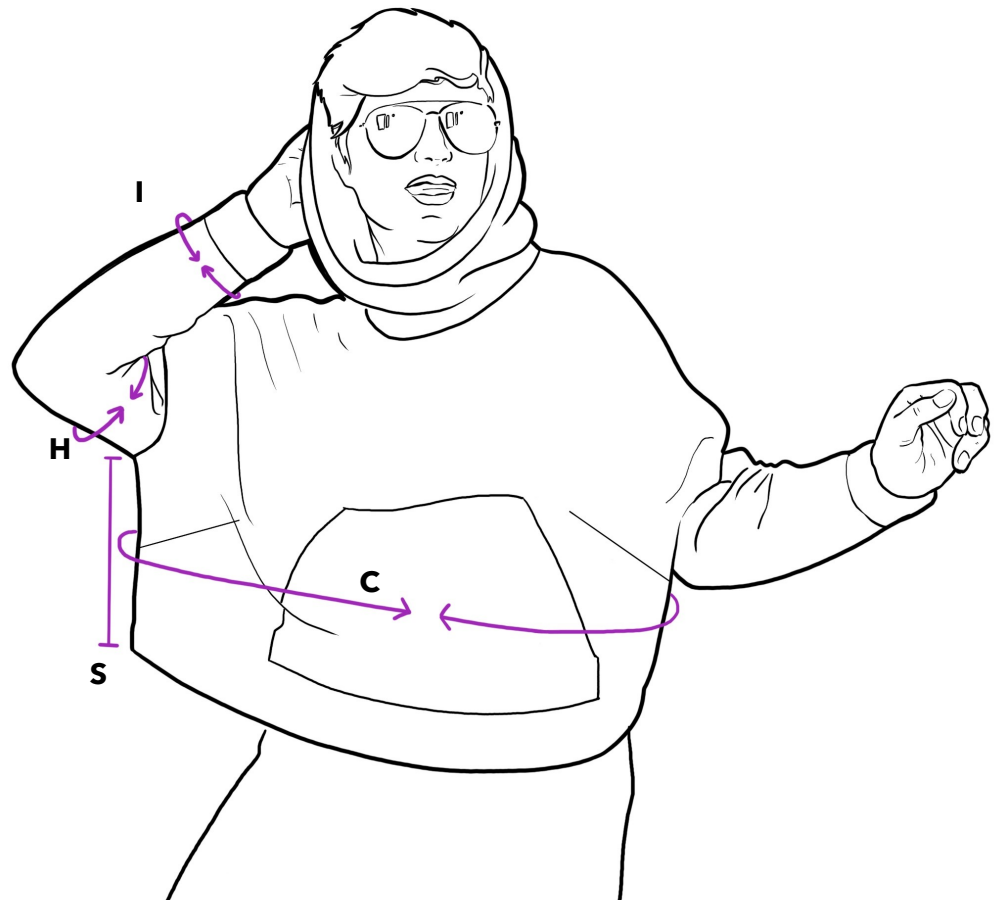

Keeper includes instructions for knitting short rows to accommodate breasts. Short rows add length to the front only of the garment, so that the hem does not rise in the front. To choose a cup size, measure your body from the top of the shoulder to your underbust in both the back and the front. Subtract the back length from the front length then subtract 2 inches / 5 cm, and choose a cup size based on the result.

INTENDED FIT

Keeper is designed to fit with approximately 11 inches / 27.5 cm of positive ease at the fullest part of your bust.

The sleeve meets the body 4 (4.75, 5.25, 5.75) [6, 6.25, 6.5] (6.75, 7, 7.25) inches / 10 (12, 13.5, 14.5) [15, 16, 16] (17, 17.5, 18) cm over the edge of the shoulder, and is designed to fit the upper arm at the join with 3 inches / 7.5 cm of positive ease.

Keeper is cropped. The total length is 16.25 (16.25, 17, 17) [17.5, 17.5, 17.5] (18.75, 19, 19.5) inches / 41 (41, 43.5, 43.5) [44, 44.5, 44.5] (47, 47.5, 48.5) cm (the sum of M, N and S).

To see where Keeper's hem will land on your frame, measure straight down from your inner neck point (where your shoulder meets your neck, halfway between front and back).

If you wish to add length, do so after the bust dart row and before joining the pocket. You will need additional yardage.

Adding length?

For each extra 1 inch / 2.5 cm you plan to add to the body length, you will need 35 (35, 40, 45) [45, 50, 55] (55, 60, 65) yds / 30 (35, 35, 40) [45, 45, 50] (50, 55, 60) m MC.

MATERIALS

YARN

Moondrake Yarn Moko Moko

90% Brushed Merino wool, 10% silk; 164 yds / 150 m per 50 g skein. This is a fluffy, thick-and-thin yarn that knits up in a textured, lofty fabric. For substitutions, consider light worsted or heavy DK weight yarns.

Main Color (MC) (shown in Bare): 760 (795, 885, 930) [970, 1020, 1080] (1160, 1245, 1365) yds / 695 (725, 810, 850) [885, 935, 990] (1060, 1140, 1250) m; 5 (5, 6, 6) [6, 7, 7] (8, 8, 9) skeins
