

## SIZING

To use the chart below, choose the size that most closely matches your ACTUAL UPPER BUST measurement, provided in the first line. The full bust and hip measurements provided are that of the GARMENT and are meant to fit with approximately 2"/5 cm of POSTIVE EASE at the bust and hip.

Instructions for working a **FULL BUST ADJUSTMENT** (bust darts) are given at the end of this pattern. If you are not sure if you need this adjustment, please read page 13 for more information.
