

P-WAVE®

The highly fragranced, simple solution to bad odours

P-Wave MyFresh

Air Freshening Just Got Personal!

Our 2019 Cleaning Show award winning innovation, that delivers more targeted, clean and efficient air freshening for small, personal spaces.

P-Wave MyFresh offers more discreet targeting, providing superior efficiency and cleanliness. It freshens air in small spaces exactly when and where it's needed, reducing fragrance overload, nasal fatigue, and aerosol residue. Clean floors and eliminating the need to handle dirty cans creates a better user experience. Featuring hands-free motion-activation, P-Wave MyFresh releases just the right amount of fragrance from our proprietary dry fragrance inserts emitted by our small, high-velocity freshFan technology. Ideal for use in toilet cubicles, vanity mirrors, lifts, gyms and spas or even on a desk in an office.

At a glance:

- 100% Dry Fragrance refill = Cleaner with no wet residue
- Motion activated
- Charcoal Filters: These filter incoming air for a fresher experience
- FreshFan Technology: High velocity fan moves fragrances throughout small spaces
- Lockable unit - key supplied
- LCD Screen: Shows "REPLACE" when it's time to replace the refill and battery
- Two Frequency Settings: "Hi" and "Lo" allow adjustment of the fan
- Personal 76mm x 76mm size
- Unit requires 1 AA battery (included)
