

REVEL SAUNAS  
MAINTENANCE GUIDE

REVEL

Maintaining your sauna ensures that it continues to provide the optimal wellness and relaxation benefits that Revel Saunas are renowned for. This guide will navigate you through the essential maintenance steps, ensuring your sauna remains in peak

# 01

## Daily and Weekly Maintenance

### Daily Cleaning

**Surface Care:** Use a soft, damp cloth to gently wipe down the interior surfaces, removing sweat and other residues, ensuring the pristine condition of the sauna.

**Electronic Controls:** Ensure they are handled with care and kept dry to prevent any potential damage or malfunction.

---

### Weekly Checks

**Heater Health:** Regularly inspect heaters for any signs of wear or damage to ensure efficient and safe heating.

**Bench and Floor Cleanliness:** Employ mild, non-abrasive cleaners to maintain the hygiene and aesthetic of benches and floors.

# 02

## Monthly Maintenance

### Deep Cleaning

**Detailed Interior Cleaning:** Use a mild detergent and water solution to thoroughly clean the sauna's interior, ensuring all corners and hidden spots are addressed.

**Agent Safety** Ensure cleaning agents are wood-safe to prevent damage to the sauna's interior.

---

### Ventilation Management

**Ventilation Management:** Regularly inspect vents for obstructions and ensure a consistent airflow to maintain a fresh environment.

**Ensuring Airflow:** Monitor and manage humidity levels to ensure they remain within optimal ranges for comfort and safety.

# 03

## Periodic Maintenance

### Wood Care

**Mold and Mildew Management:** Address any signs of mold or mildew promptly to ensure a clean and healthy environment.

---

### Heater and Stones

**Stone Stability:** Regularly inspect and replace sauna stones that show signs of wear or damage.

**Heater Efficiency:** Ensure heaters are clean and functioning optimally to provide consistent heating.

# 04

## Technical & Electrical Maintenance

### Safety First

**Power Safety:** Always disconnect power before performing any electrical maintenance to ensure safety. And always have a licensed electrician to carry out electrical work.

---

### Lighting

**Illumination Integrity:** Ensure all bulbs are functioning correctly and replace any that are flickering or burnt out.

---

### Control Panels

**Operational Checks:** Regularly inspect control panels for functionality and refer to the user manual or professional help for troubleshooting.

# 05

## Long-term Care and Troubleshooting

### Annual Checks

**Power Safety:** Annually inspect your sauna for structural, electrical, and functional integrity.

**Professional Check:** Consider scheduling a professional maintenance check for a detailed and expert assessment.

---

### Troubleshooting Common Issues

**Issue Resolution:** Utilize the user manual and customer support for resolving common issues and for guidance on maintenance.

# 06

## Warranty and Professional Support

### Understanding Your Warranty

**Warranty:** Ensure you are well-acquainted with the terms and conditions of Revel Saunas' warranty to facilitate smooth claims, if necessary.

---

### Reaching Out

**Support Availability:** Utilize Revel Saunas' dedicated customer support for any maintenance queries, troubleshooting.

Maintaining your Revel Sauna is pivotal in ensuring it continues to be a source of relaxation and wellness in your life.
