

Find the right fit

Bracelet Sizing Guide

measuring your wrist is the best way to determine your correct bracelet, bangle or cuff size.

Before proceeding, line up a ruler to the printed ruler below to confirm the paper size is correct.

Measuring your wrist

Cut out the ruler

Cut a horizontal line on the dotted line

Wrap the ruler around the circumference of your wrist (or knuckles for a bangle) with the numbered side visible

Slip the numbered end through the horizontal opening and pull until the ruler is flush against your skin

The number that lines up with the edge of the opening is your bracelet/bangle size in inches

Size	Bracelet	Bangle
X - Small	5.5 - 6 in	6.5 - 7.25 in
Small	6 - 6.5 in	7.25 - 8 in
Medium	6.5 - 7 in	8 - 8.75 in
Large	7 - 7.5 in	8.75 - 9.75 in
X - Large	7.5 - 8 in	Custom

As always feel free to stop by our shop and we are happy to size you! Need help? Call us at (248) 565-8758 or send an email to info@elainebjewelry.com
