CARE INSTRUCTIONS

- Vacuum regularly to remove as much surface dirt and dust as possible.
- Protect by not placing furniture in direct sunlight and heat, this will ensure a longer last.
- Clean up surface stains as soon as possible, being careful not to rub stain into fabric.
- Most stains may be treated with dry-cleaning fluid or upholstery shampoo, baby wipes are ideal for spot-cleaning.
- Do not use bleach or other harsh chemicals on fabric.
- Do not rub the fabric when cleaning.
- Always work inwards from the edge of the stain with a clean absorbent cloth.
- Use a dabbing motion with a clean section of the cloth for each dab.
- Do not over wet fabric and allow to dry naturally between repeated spot cleaning procedures.
