

SHT-SC7 Mechanical Suspension Seat

- **Mechanical suspension**
- **Weight adjustment to 130kg**
- **Adjustable back and armrests**
- **60mm, 3 step, ratchet height adjustment options**
- **Single locking slide rails**
- **Seatbelt compatible**
- **Operator present switch compatible**
- **Trimmed in premium black waterproof PU vinyl with grey accents**

Suspension 3 height adjustment is made by lifting the seat up to the next ratchet level. When lifted to the maximum height the seat will collapse, & height adjustment starts again.
