

## Apples and Pears Cocktail!

A perfect tittle for Halloween (or any other Autumn night)!

You will need:-

35ml Vodka

35ml apple juice

18ml vanilla sugar syrup

15ml fresh lime juice

2 dashes Angostura bitters

Pear cider to top off (apple if you can't get pear will do, but I'll need to change the name....)

Ice cubes (for shaker)

Put all ingredients into a cocktail shaker with a couple of ice cubes and shake vigorously.

Pour into a tall glass and add the pear cider to the fill the glass completely.

Enjoy!
