

BRACELET SIZE GUIDE

Measuring your wrist is the best way to determine your correct bangle, cuff or bracelet size. Before using the ruler to find your fit, make sure this guide is printed on US Letter size paper (8.5 x 11") and scaled to 100%. Use a ruler to confirm accuracy.

- Cut out ruler.
- Starting at "0", wrap the ruler snugly around your wrist. You will need your exact wrist measurement.
- Mark where the ends of the ruler measure touches. Do not add or subtract from this measurement.
- Write down your wrist measurement size before ordering your bangle, cuff or bracelet.
