BERRIES // PAPAYA // COMPLEX

Carlos Vergara is a producer we started buying from when we visited Colombia during the last days of November two seasons ago. His farm, Las Flores, is situated in San Isidro. This area in Acevedo, Huila, is relatively close to two other producers we work with in the region, Alcides Avendaño, and Edgardo Heladio Ossa.

For us, it's exciting to have yet another stellar producer from Huila on our menu, and if it's any indication, this won't be the last time you get to try Carlos' 100% Caturra variety. With a sweet and clean vibrant profile, we think you're really going to like this lot.
