**my OxyGO®**

Download on the **App Store**

GET IT ON **Google Play**

## *Before You Start*

**1** # Download the App

From your mobile device, go to the **App Store (Apple)** or **Google Play (Android)**, search for the **My OxyGo App** and download the software.

Apple App Store

Google Play App Store

My OxyGo App

**2** # Plug In Your OxyGo FIT ™

Connect the AC power supply cord to the concentrator. Plug the power supply AC cord into an electrical outlet.

**Do not power on the FIT concentrator.**

**my OxyGO®**

## *Pairing*

**3** # Pair Your Mobile Device With Your FIT

▶ Go to **Settings** on your mobile device and **turn on Bluetooth**.

▶ Slide the button to the right to turn on Bluetooth.

▶ Next, **turn on Bluetooth on your concentrator** by holding down the minus button until the Bluetooth symbol appears on the concentrator's display screen.

Go to settings

Turn on Bluetooth on phone

Turn on Bluetooth on FIT
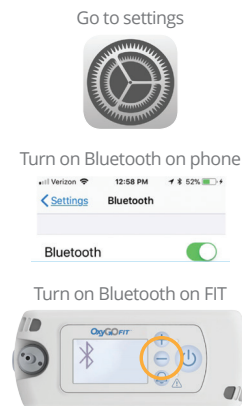

**4** # Open My OxyGo App

Enter your provider code and click **"SUBMIT"**. The provider code can be found in your confirmation email or provided by your home care provider.

*Pairing is the term used to describe the process of wirelessly connecting two Bluetooth devices for the first time. "Pairing" allows the devices to recognize each other and creates a unique lasting connection between the specific devices.*

**my OxyGO®**
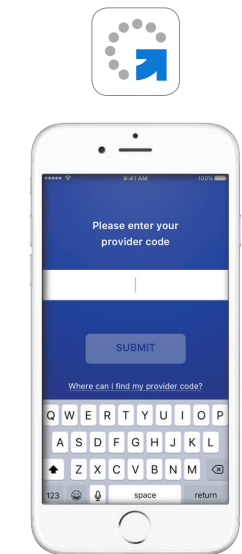

**5** ## Search for Concentrator

Click on **"Search for Concentrator"** at the bottom of your screen.

my**OxyGO**

☑ Your concentrator must be plugged in and must be turned OFF

☑ Bluetooth must be enabled on your phone and concentrator ⓘ

☑ Your concentrator and phone must be near one another

SEARCH FOR CONCENTRATOR

**6** ## Select Serial #

When device is found, select your **Concentrator Serial Number** on your mobile device.
