

<div>LUXE.</div> <div>LED FACE REJUVENATION MASK</div>	<div>LUXE LED MASK</div> <p>The LUXE LED MASK is a wearable, rechargeable LED phototherapy device designed for home use. Its purpose is to emit a consistent, narrow band of light for the treatment of facial cosmetic concerns. The mask is worn on the face and secured with an adjustable Velcro strap.</p> <p>LUXE LED MASK has been designed to deliver light directly to the skin, maximizing the absorption by the target cells and minimizing waste. It utilizes 7 clinically proven wavelengths of light, each shown to stimulate collagen and elastin production.</p> <div>SPECIFICATIONS</div> <ul style="list-style-type: none"><li>• LED Light: 7 LED colours</li><li>• Near Infrared Light: 830-850 nm</li><li>• LED Lamps: 121 lamps</li><li>• Working Time Settings: 10-30 minutes</li><li>• AC/DC Adapter Output: 5V, DC 1000mA</li></ul> <div>Light Wavelengths and Effects:</div> <ul style="list-style-type: none"><li>• Near Infrared Light (810-850 nm): Anti-aging and firming, reduces redness.</li><li>• Red Light (640-670 nm): Reduces fine lines and wrinkles, anti-aging</li><li>• Green Light (490-540 nm): Soothing and purifying effects</li><li>• Blue Light (440-470 nm): Targets acne and skin inflammation, anti-inflammatory</li><li>• Yellow Light (565-570 nm): Decomposes pigment, improves rough skin.</li><li>• Purple Light (380-440 nm): Repairs acne scars, acne</li><li>• Cyan Light (460-495 nm): Gradually enhances cellular energy</li><li>• Laser Light: Accelerates cell activity, decomposes dark spots</li></ul>	<div>WARNINGS</div> <ul style="list-style-type: none"><li>• Do not use LUXE LED MASK for any conditions other than those listed under the indications for use. The LUXE LED MASK has not been tested for other conditions than those listed, and the associated risks are unknown.</li><li>• Do not use LUXE LED MASK if you are pregnant, planning to become pregnant, or breastfeeding.</li><li>• Do not use the LUXE LED MASK if you have any photosensitive disorder or sensitivity to light.
