

THE SEP LEATHER COLLECTION

The black grain leather briefcase is an iconic classic, like aviator sunglasses, submarine watches or leather boots. It ticks all the SEP boxes: stylish, unisex, timeless. SEPPERS are travellers, curious about the world: we want you to have a precious bag you can carry around with pride Made in Italy with the best, softest and sturdiest grain leather we could find. What makes this bag so special is its shoulder strap...

THE SEP SHOULDER STRAP

IT TOOK US YEARS TO DEVELOP OUR OWN BAG STRAP: WE WANTED IT TO HIT THE HIGHEST POSSIBLE LEVEL OF QUALITY, BEAUTY AND LONG-LASTINGNESS

**embroidery is
freedom
expression
resilience**

Our adjustable leather straps are made in Italy by masters of the trade. The ribbon has been made in Italy with recycled poly and hand-embroidered with incredible patience and precision by the SEP Artists in Jerash camp.
