ABOUT US

Proudly Australian-owned and with over 25 years' experience of providing excellent customer service, AMDC offer quality products and solutions, whether you are building or renovating. We manufacture the largest and most comprehensive range of skirtings, architraves, doors and accessory mouldings including picture rails, corner blocks and bolection moulds from all periods of Australian housing. Our range of housing eras includes the Victorian, Federation, Edwardian, Colonial and Post War eras through to Modern and Contemporary homes. With over 6,000 different profiles our extensive range can be produced from Moisture Resistant Medium Density Fibreboard (MRMDF) or any timber.

- Finger Jointed Pine
- Clear Pine
- Meranti
- Oak
- Western Red Cedar
- Kiln Dried Hardwood (KD Hardwood)
- Any other timber on request

This results in our products being of the highest quality and finish. AMDC understand that creating a beautiful, comfortable and functional home takes time and experience. Our dedicated staff, with extensive experience in the building industry are ready to provide a personal approach to achieve professional results.
