

Rimini

The Rimini collection has two very prominent qualities - Firstly the products are sleek and elegant with angular, modern edges, which give an effortlessly sophisticated look to your space. And secondly, the collection is extremely durable and can withstand the harshest weather conditions.

Our beautiful extensive Rimini range will undoubtedly transform your outdoor space.

Maintenance

The Rimini range requires minium maintenance, although we recommend cleaning your furniture annually. Only clean using a damp cloth and mild detergent, do not use bleach or abrasive cleaners.

For any surface scratches please contact customer services and we will supply you with colour matched touch up paint.

Cushions are made from 260gsm Polyester and have a waterproof interliner. They can be cleaned with our Fabric Cleaner and a microfibre cloth. Once dried we recommend applying a layer of our Fabric Protector. Store the cushions in a dry place when not in use and during the winter months.

From time to time check that there are no loose screws on the tables, as this can cause damage to the table legs.
