Kingsley

Kingsley rise and recliner chair combines exceptional comfort with great design, guaranteeing highly supportive seating with fully adjustable three-cushion waterfall back, generous layers of foam and a multiple sprung base. Smooth and quiet motors from both the single and dual motor models allow safe and easy standing and sitting. The simple-to-use hand controller provides a user-friendly experience which is made even easier with changeable left or right-handed use. Located on each side of the chair are large pockets which are perfect for storage and safekeeping. Kingsley offers a wide selection of fabrics giving you more choice and variety to suit your home style. Seat covers are also removable and replaceable, this allows for ease of mind when accidents or spills occur. The complete Kingsley collection is available for express delivery in both standard and compact size chairs, in seven luxurious fabrics including the easy-clean leatherette. Optional extras for the kingsley include armcovers and a battery back up.
