

PROSPERITY CANDLE

— *creating opportunity* —

**Handpoured by women refugees
creating a brighter future in the U.S.**

Founded to help women artisans in and from regions of conflict and natural disaster, Prosperity Candle is a fair trade social enterprise providing living wage employment to women refugees in Massachusetts and supporting artisans around the world.

**Soy blend, natural cotton and wood wicks, fragrances
made with essential oils. Never any dyes or enhancers.**

The beauty of candles designed for good.
