

## Antique Belgian Bluestone Flooring

Considered as one of the best construction materials in Europe for centuries, antique Belgian Bluestone is chosen by architects for their finest homes. Radiating a deep, rich blue black patina from over 150+ years of foot worn traffic - these reclaimed Belgian bluestones are formidable for it's authenticity and serene beauty.

### Antique Belgian Bluestone Dimensions and Ordering:

As a salvaged reclaimed stone, each lot's dimensions vary.

They are available in original 3" to 5" thick or cut to 1 1/4" thick.
