2015 + F150 Boss Edition

"Like a Boss" simply stated is the best way to describe this truck. Being a Boss not only means you are a leader, a risk taker, and inspirational but you also never back down from a challenge. The Boss F-150 does all that and more. With it's aggressive stance and tailored looks, the Boss sets itself apart from the rest of the pack. Equipped with a 5.0L V8 Supercharged engine pumping out 700+ Horsepower to get your adrenaline pumping, this truck has an attitude all its own.
