## 100 Lumen Tent Light

Your tent light is here! Get familiar with your new go-to camping light with this quick start guide. Go ahead, get it out of the box and get your hands on it. The fun is just getting started!

### Batteries

3AA batteries are pre-installed in your tent light. Before use, remove the pull tab from the battery compartment.

### 3 Modes

**High:** 100 Lumens (Press 1x)

**Low:** 20 Lumens (Press 2x)

**Night light:** 1 Lumen (Press 3x)

### 100 Lumens

Lumens are units that measure the total light output of a product. With a maximum light output of 100 lumens, this light is perfect for the campsite, projects around the house, and emergency situations.

### Folding Hook

Rotating steel hook hangs easily from your tent or it can be used as a kickstand and propped up on a table.

### Lifetime LED Bulbs

This light uses industry-leading LEDs that will last the lifetime of the product, guaranteed.

### Water Resistant

This light is built to work while exposed to common inclement weather such as light rain (fancy technical classification: IPX4), but please don't submerge it!
