

Certificate of Analysis

Name of Product: Cucumber Powder
Batch Number: BBB2440
Part of the Plant Used: Fruit
Country of Origin: China
INCI Name: Cucumis Sativus Fruit Powder

Test	Standards/Methods	Results
Description	Fine powder	Complies
Colour	Brownish yellow	Complies
Odour	Typical to botanical	Complies
Taste	Typical to botanical	Complies
Sieve Analysis	90% pass 80 mesh	Complies
Moisture Content	≤5%	Complies
Ash	≤5%	Complies
Arsenic (As)	≤1 ppm	Complies
Cadmium (Cd)	≤1 ppm	Complies
Lead (Pb)	≤3 ppm	Complies
Mercury (Hg)	≤0.1 ppm	Complies
Total Heavy Metals	≤10 ppm	Complies
Total Plate Count	≤10,000cfu/g	Complies
Yeasts/Moulds	≤1,000cfu/g	Complies
Salmonella	Absent/10g	Complies
E.Coli	Absent/1g	Complies
Sterilization Method	High temperature & high-pressure short time (5" - 10")	Complies
Identification	Positive	Complies
Storage	Store product in tightly sealed containers in dry and dark environment at room temperature. Avoid exposure to air pollution, heat, sunshine and moisture. Reclose containers tightly after use.	

Ingredient	Composition
Cucumber Extract	85%
Water	5%
Maltodextrin	10%
