

Safety Data Sheet

In accordance with REACH Regulation EC No.1907/2006

Section 1: Identification of the substance/mixture and of the company/undertaking

1.1. Product identifier

Product name: Rosehip Powder
CAS number: -
EINECS number: -
Synonyms: -
INCI name: Rosa Canina Fruit/Seed Powder

1.2. Details of the supplier of the safety data sheet

Company name: Bath and Body Base Ltd
2A Laurel Way
Bishop Auckland
Co. Durham
DL14 7NF
Tel: 07493 064263
Email: technical@bathandbodybase.com

1.3. Emergency telephone number

Emergency tel: 07493 064263

Section 2: Hazards identification

2.1. Hazards identification

Emergency overview: No data available.
Route(s) of entry: Inhalation: Yes
Skin: Yes
Eyes: Yes
Ingestion: Yes
Other: Injection
Potential health effects (acute and chronic): Material may be irritating to the mucous membranes and upper respiratory tract. May be harmful by inhalation, ingestion, or skin absorption. May cause eye, skin, or respiratory system irritation. The toxicological properties of this compound have not been fully evaluated.
Signs and symptoms of exposure: No data available.
Hazard label information: Avoid contact with skin and eyes. Do not reuse this container. Use with adequate ventilation. Wash thoroughly after handling.

Section 3: Composition/information on ingredients

3.1. Substances

Chemical identity: Rosehip Powder

Section 4: First aid measures**4.1. Description of first aid measures**

Skin contact:	In case of skin contact, immediately wash skin with soap and plenty of water. Remove contaminated clothing. Get medical attention if symptoms occur. Wash clothing before reuse.
Eye contact:	In case of contact with eyes, hold eyelids apart and flush eyes with plenty of water. After initial flushing, remove any contact lenses and continue flushing for at least 20 minutes. Have eyes examined and tested by medical personnel.
Ingestion:	If swallowed, wash out mouth with water provided person is conscious. Never give anything by mouth to an unconscious person. Get medical attention. Do NOT induce vomiting unless directed to do so by medical personnel.
Inhalation:	If inhaled remove to fresh air. If not breathing, give artificial respiration or give oxygen by trained personnel. Get immediate medical attention.

Section 5: Fire-fighting measures**5.1. Extinguishing media**

Suitable extinguishing media:	Use alcohol foam, carbon dioxide, or water spray when fighting fires involving this material.
Unsuitable extinguishing media:	No data available.

5.2. Special hazards arising from the substance or mixture

Flashpoint:	No data.
Explosive Limits:	LEL: No data. UEL: No data.
Autoignition point:	No data.
Flammable properties and hazards:	Emits toxic fumes under fire conditions.

5.3. Advice for fire-fighters

Advice for fire-fighters:	As in any fire, wear self-contained breathing apparatus pressure-demand (MSHA/NIOSH approved or equivalent), and full protective gear to prevent contact with skin and eyes.
----------------------------------	--

Section 6: Accidental release measures**6.1. Personal precautions, protective equipment and emergency procedures**

Personal precautions:	Wear a NIOSH/MSHA approved self-contained breathing apparatus and appropriate personal protection (rubber boots, safety goggles, and heavy rubber gloves).
------------------------------	--

6.2. Methods and material for containment and cleaning up

Clean-up procedures:	Vacuum or sweep up material and place in disposal container. Avoid raising dust. After removal, ventilate contaminated area and flush thoroughly with water.
-----------------------------	--

Section 7: Handling and storage**7.1. Precautions for safe handling**

Handling requirements: Avoid breathing (dust, vapor, mist, gas). Avoid contact with eyes, skin, and clothing. Avoid prolonged or repeated exposure. Do not reuse this container. Use with adequate ventilation. Wash thoroughly after handling.

7.2. Conditions for safe storage, including any incompatibilities

Storage conditions: Keep tightly closed. Store at correct temperature.

Section 8: Exposure controls/personal protection**8.1. Exposure controls**

Engineering measures: Use process enclosures, local exhaust ventilation, or other engineering controls to control airborne levels below recommended exposure limits.

Protective equipment summary: Hazard eye wash station in work area, lab coat, latex disposable gloves.

Label information: Safety glasses, safety shower in work area, vent hood.

Respiratory protection: No data available.

Hand protection: Latex disposable gloves.

Eye protection: Safety glasses.

Skin protection: Lab coat.

Work/hygienic/maintenance practices: Do not take internally. Facilities storing or utilizing this material should be equipped with an eyewash facility and a safety shower. Wash thoroughly after handling.

Section 9: Physical and chemical properties**9.1. Information on basic physical and chemical properties**

State: Free flowing powder.

Colour: Reddish brown.

Melting point: No data.

Boiling point: No data.

Flashpoint: No data.

Autoignition point: No data.

Explosive limits: LEL: No data.
UEL: No data.

Specific gravity (water = 1): No data.

Vapor pressure (vs. air or mm Hg): No data.

Vapor density (vs. air = 1): No data.

Evaporation rate (vs Butyl Acetate = 1): No data.

Solubility in water: No data.

Percent volatile: Not applicable.

Corrosion rate:	No data.
Formula:	No data.
Molecular weight:	No data.
pH:	No data.

Section 10: Stability and reactivity**10.1. Reactivity**

Reactivity:	Stable under recommended transport or storage conditions.
--------------------	---

10.2. Chemical stability

Chemical stability:	Stable under normal conditions.
----------------------------	---------------------------------

10.3. Possibility of hazardous reactions

Hazardous polymerization:	Will not occur.
----------------------------------	-----------------

10.4. Conditions to avoid

Conditions to avoid:	Protect from moisture.
-----------------------------	------------------------

10.5. Incompatible materials

Materials to avoid:	Strong oxidising agents.
----------------------------	--------------------------

10.6. Hazardous decomposition product

Haz. decomp. products:	Carbon dioxide/carbon monoxide.
-------------------------------	---------------------------------

Section 11: Toxicological information**11.1. Information on toxicological effects**

Toxicological information:	The toxicological effects of this compound have not been thoroughly studied.
Carcinogenicity/other information:	No data available.
Carcinogenicity:	NTP: No IARC Monographs: No OSHA Regulated: No

Section 12: Ecological information**12.1. Ecological information**

Ecological information:	Run off from fire control or dilution water may cause pollution.
--------------------------------	--

Section 13: Disposal considerations**13.1. Waste treatment methods**

Product: Dispose in accordance with local and state regulations.

Section 14: Transport information

UN number or ID number: Land Transport (US DOT)
DOT proper shipping name: No data available.
Transport hazard class(es): Not applicable.
Packaging group: Not applicable.
Environmental hazards: Not applicable.
Special precautions for user: Not applicable.
Maritime transport in bulk according to IMO instruments: Not applicable.
Additional transport information: Transport in accordance with local and state regulations.

Section 15: Regulatory information**15.1. Safety, health and environmental regulations/legislation specific for the substance or mixture**

Specific regulations: No specific applicable legislation.

Section 16: Other information**16.1. Other information**

Other information: * Indicates text in the SDS which has changed since the last revision.

Legal disclaimer: This information is provided for documentation purposes only.

The complete range of conditions or methods of use are beyond our control therefore we do not assume any responsibility and expressly disclaim any liability for any use of this product.

Information contained herein is believed to be true and accurate however, all statements or suggestions are made without warranty, expressed or implied, regarding accuracy of the information, the hazards connected with the use of the material or the results to be obtained from the use thereof.

Compliance with all appropriate local regulations remains the responsibility of the user.

This safety sheet cannot cover all possible situations which the user may experience during processing.

Each aspect of your operation should be examined to determine if, or where, additional precautions may be necessary.

All health and safety information contained in this document should be provided to your employees or customers.
