KIDS ROCK PAINTING KIT

GLOW IN THE DARK

UNLEASH & SPARK YOUR CREATIVITY:

The ultimate gift for any child who loves art creativity and a little bit of magic. With this fun and educational kit, kids can unleash their creativity and create truly unique and eye-catching 'glowing' rock designs.

INCLUDES:

12 natural river rocks, 4 puffy glow-in-the-dark paints, 8 standard paints, gold & silver glitter glue, 4 paintbrushes (fine tip and wider tip), googly eyes, gem stickers, gold and black transfer stickers, and instruction manual.

LET IT GLOW:

The main attraction is the puffy glow-in-the-dark paints. When the lights go out, these paints will light up and provide beautiful designs. Imagine the look on your child's face as they watch their rock designs come to life in the dark!

Paint the stone with white paint for subsequent coloring

Start painting with a brush dipped in paint one layer of paint dries and then another layer

The painted stones can be dried naturally

Usage of Glitter Gum

After the painted stone is completely dry with the paint you can apply glitter powder to it according to your preference.

Bling-Shining Gems

Decorate the rock with gems and glitters, and it will be bling-shining
