

PC111 Internet telephony on the go

- ▶ On-ear wearing style for those who prefer the familiar ear cap feel
- ▶ Wearable left or right to suit personal tastes
- ▶ Ideal for inexpensive internet telephony

The professional PC 111 headset is an ultra-light, one sided headset ideal for IP-based communications, especially when travelling. Use it for inexpensive telephone-conferences or private calls, dictation or entertainment.

- ▶ Self-adjustable, omni-directional microphone for clear communication, more comfort and flexibility
- ▶ In-line volume control and microphone mute switch lets you decide volume intensity and allows you to "remove" someone from a three-way conversation
- ▶ Compatible with almost any sound card, it can be used for listening to music or films on your laptop or with CD/DVD/MP3 players
- ▶ Compatible with some mobile phones
- ▶ Single-sided cable keeps chin and neck free so you can concentrate on your game
