

# 3M™ DI-NOC™ Architectural Finishes Preferred Training

## Class Information

This three day class (two days of training, one day testing) covers the skills and knowledge necessary to apply DI-NOC architectural films in an interior design setting. Completion of the training will allow participants to confidently complete DI-NOC applications using appropriate materials, tools, and techniques. Applications include, but are not limited to, flat surfaces, door wrapping, complex curves, corners, and more.

### Students will learn:

- **Tools of the trade and how to use them correctly**
- **Surface preparation**
- **Installation considerations**

While we will provide the best training possible, this class does not guarantee that each student will be able to pass the test to become a 3M DI-NOC Preferred Installer.
