Window Film Lot # Identification for CFR Submission

The 3M US team is requesting that the window film lot # to be included with every CFR submission. It is very important and necessary to have the lot # for verification & tracking of manufacturing process conditions and root cause analysis.

Following are tips on how to locate the lot #:

- ❖ The WF lot # information can be found at two locations:
 - The label at the end of each shipper box
 - The label inside of each core
- ❖ Following photos are examples where lot # can be located on different box labels and core label.
