Key Features

INCREASE PRODUCTIVITY

This sleek monitor desktop stand raises two displays off the desk surface, thus saving workspace and creating a productive display configuration to increase productivity.

SPACE SAVER

Each monitor can tilt up 15 degrees or down 15 degrees. with -15° ~ $+15^{\circ}$ degree Swing. You don't need to bend yourself at your workstation anymore, effectively reducing the pain on your neck and back and making you productive.

CABLE MANAGEMENT

A simple cable management clip snaps onto the center pole keeping AV and power cords clean and organized. Cable clips keep potentially messy cords organized and out of the way for a clean appearance.

- Tilt Range: $+30^{\circ}$ ~ -30°
- Swivel Range: $+90^{\circ}$ ~ -90°
- Screen Rotation: $+180^{\circ}$ ~ -180°
