Triple LCD Monitor Mount Stand

EF003

Maximize the benefits of three monitors with a seamless display table-top stand set-up. This Triple Monitor Stand can help organize display cables with a cable organizer and can tilt, swivel, rotate and height-adjust. Installation is quick and easy. This bracket can be used for max 27" x 3 monitor in straight line, or curved with smaller monitor. With Big monitor it won't curve much. Your precious desk space can be saved with this set up. You can adjust the monitor height and view angle freely with this stand. The connecting cables can be arranged neatly by provided wire clips both on pole and arm. The weighted base comes with grommet mounting option, so you can put the stand on the desk freely or mount the stand through the cable routing hole on the desk
