Description

With a monitor mount and big surface, this medical computer cart makes an efficient mobile workstation that can appeal to many businesses. The wheels allow this trolley to effortlessly move to anywhere and 4 lockable wheels allow you to lock in place as a stationary desk. Easy to maneuver the height-adjustable cart by pressing down on the footpad to raise or lower the surface. Mobile workstations are often found in busy environments such as doctor's offices, labs, and hospitals. Stowaway documents or equipment in the locking drawer for safekeeping while you step away from the desk. Comfortably position a keyboard on the pull-out tray and set up your mouse on either side to accommodate left or right-handed users. Wheel this computer cart into your office for an adjustable and ergonomic way to stay on top of your workload each day.

Features

- The height-adjustable working area is comfortable for sitting or standing users.
- Pull-out keyboard storage and mouse stage can be the left or right side.
