

Your laptop deserves better protection with an optimal cooling solution

Holds any notebook from 12 to 17"

Color: Black

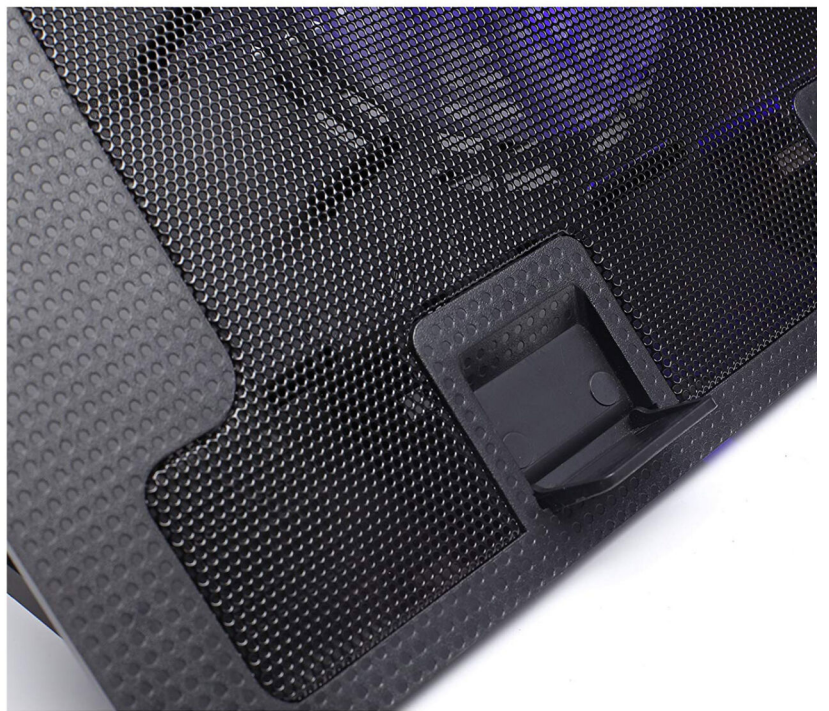

6 height adjustment levels

Laptop Cooling Pad for 12-17" Screens. Ergonomically design for a better viewing and typing angle, allowing you to work or play on your laptop for prolonged periods without straining your neck, back and wrist. Great at home or in the office. This Notebook adjustable stand is designed to keep your laptop temperatures low, even while using them at a high capacity. It uses cooling fan to constantly blast cold air to the bottom of the computer and dissipate the emitting heat.

With thin body and light weight design the Rife **Cooling Pad** allows you to take it wherever you go and cool your laptop anytime you want.

It can support laptops with a screen size between **12-17 inches**.

This **Notebook** adjustable stand is designed to keep your laptop temperatures low, even while using them at a **high capacity**.

6 LEVEL HEIGHT ADJUSTMENTS

Ergonomically design for a better viewing and typing angle, allowing you to work or play on your laptop for prolonged periods without straining your **neck, back** and **wrist**.

IDK
