Ergonomic
Comfort & Style

RDF

Available in two Colors

Black

White

Gas Spring Lifting

Go from sitting to standing in one easy smooth motion with dual gas spring force. Adjust to your proper comfort level by using the innovative simple touch height locking mechanism

Dual Tier Deck

The lower deck holds key board and mouse side by side and raises in sync with the top surface creating a comfortable work space, plush wrist pad is included. Weight capacity for the entire desk is 30 lbs

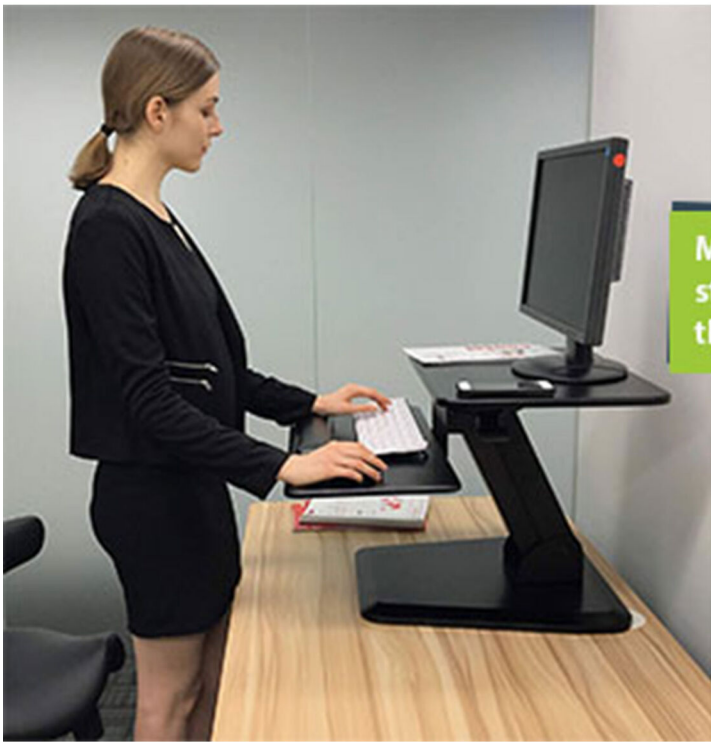

Ample Space

The top surface measures 23.5" x 15.5" providing plenty of space for single monitor, dual monitor, and laptop + monitor setups. Customize your work area and create the workflow you need.

Ergonomic Height Adjustable

Move effortlessly from sitting to standing in seconds with the help of the gas spring mechanism.

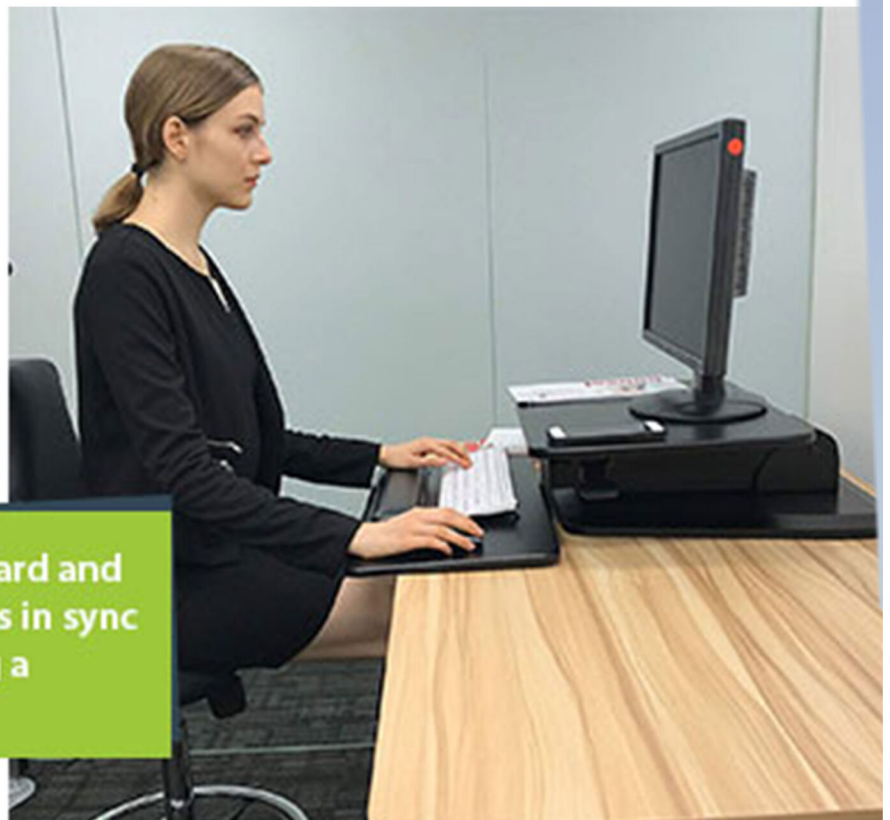

Tension Adjustment

Adjust the gas spring tensioner to loosen or tighten the up and down movement.

Lockable Pneumatic Spring
Provides One-Touch Height Adjustment

The lower deck holds keyboard and mouse side by side and raises in sync with the top surface creating a comfortable work space

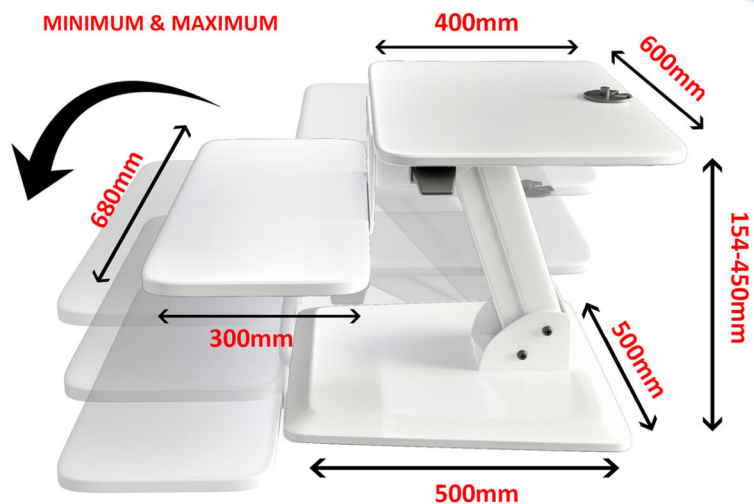

This converter works with your existing desk to transition to standing at the office.
