

# INDOOR DIGITAL SIGNAGE TV STAND (RK-16)

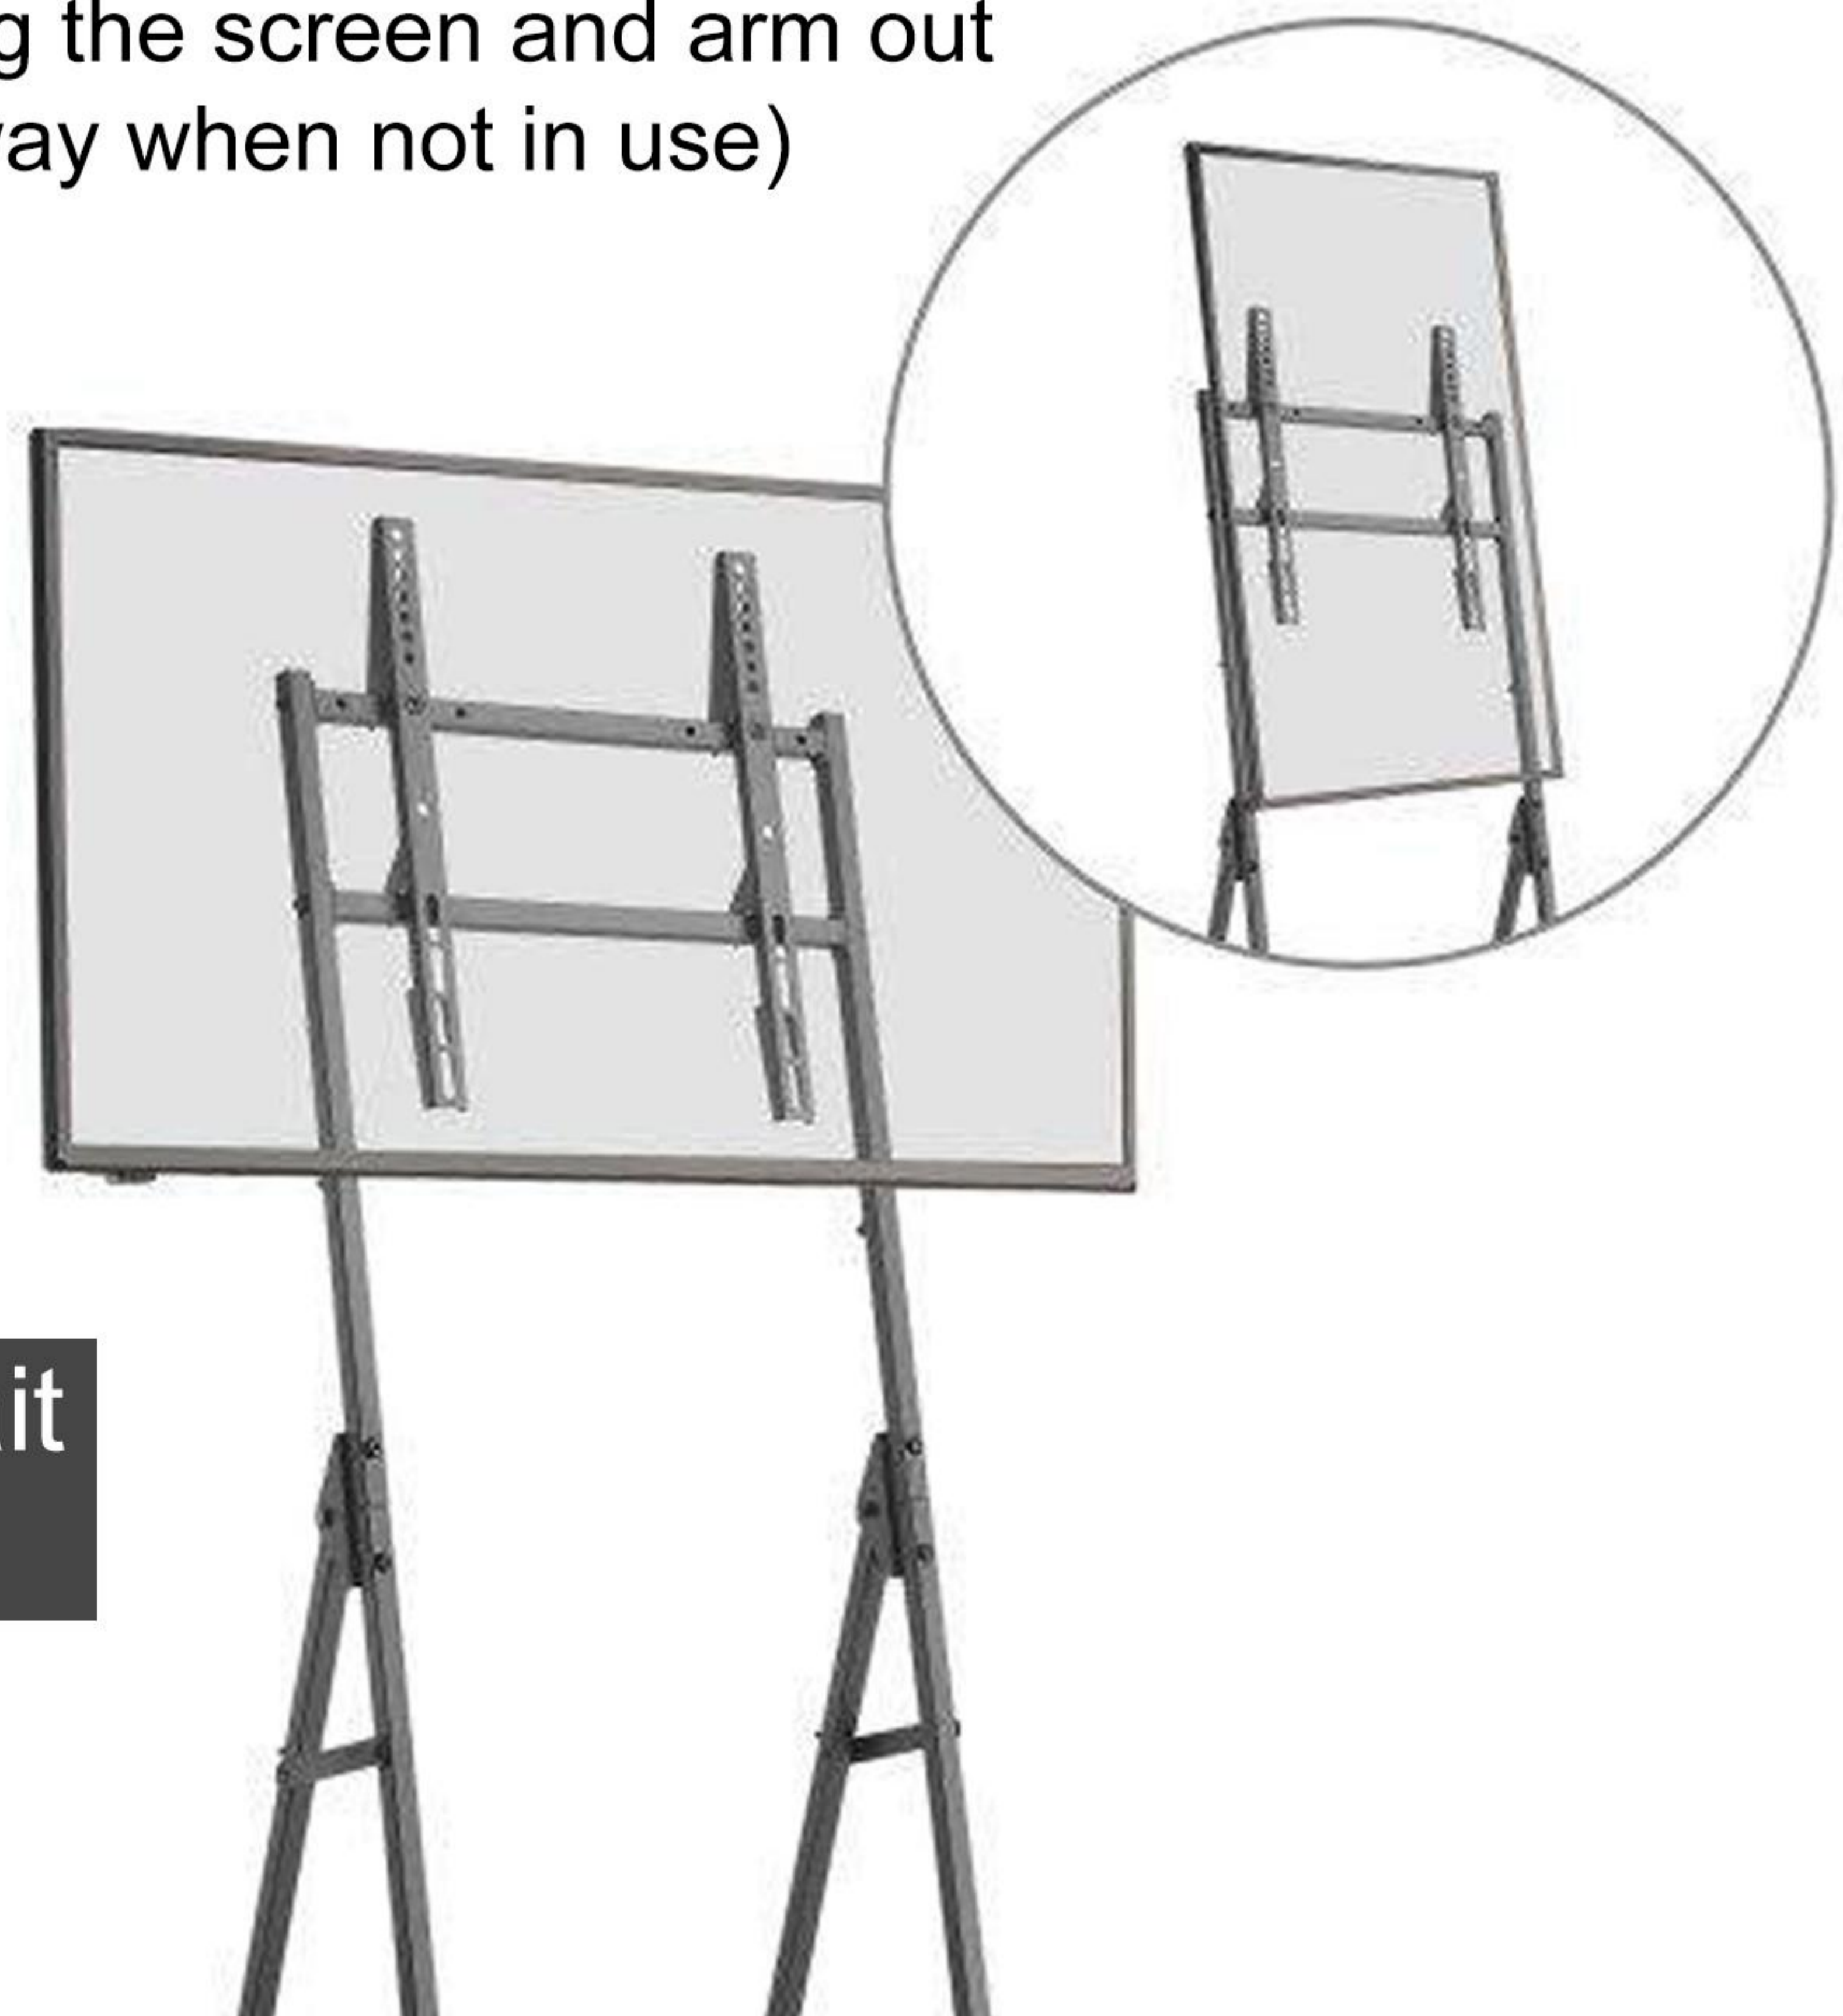

It provides a presentation solution for most screens to deliver the information with a fixed VESA bracket. And with its small body, it can fit in conferences, shows museums, restaurants, and other events environment.

**Feet Levelers:** for a fixed and stable foundation even on uneven surfaces. Its solid base with leveling function ensures a stable condition.

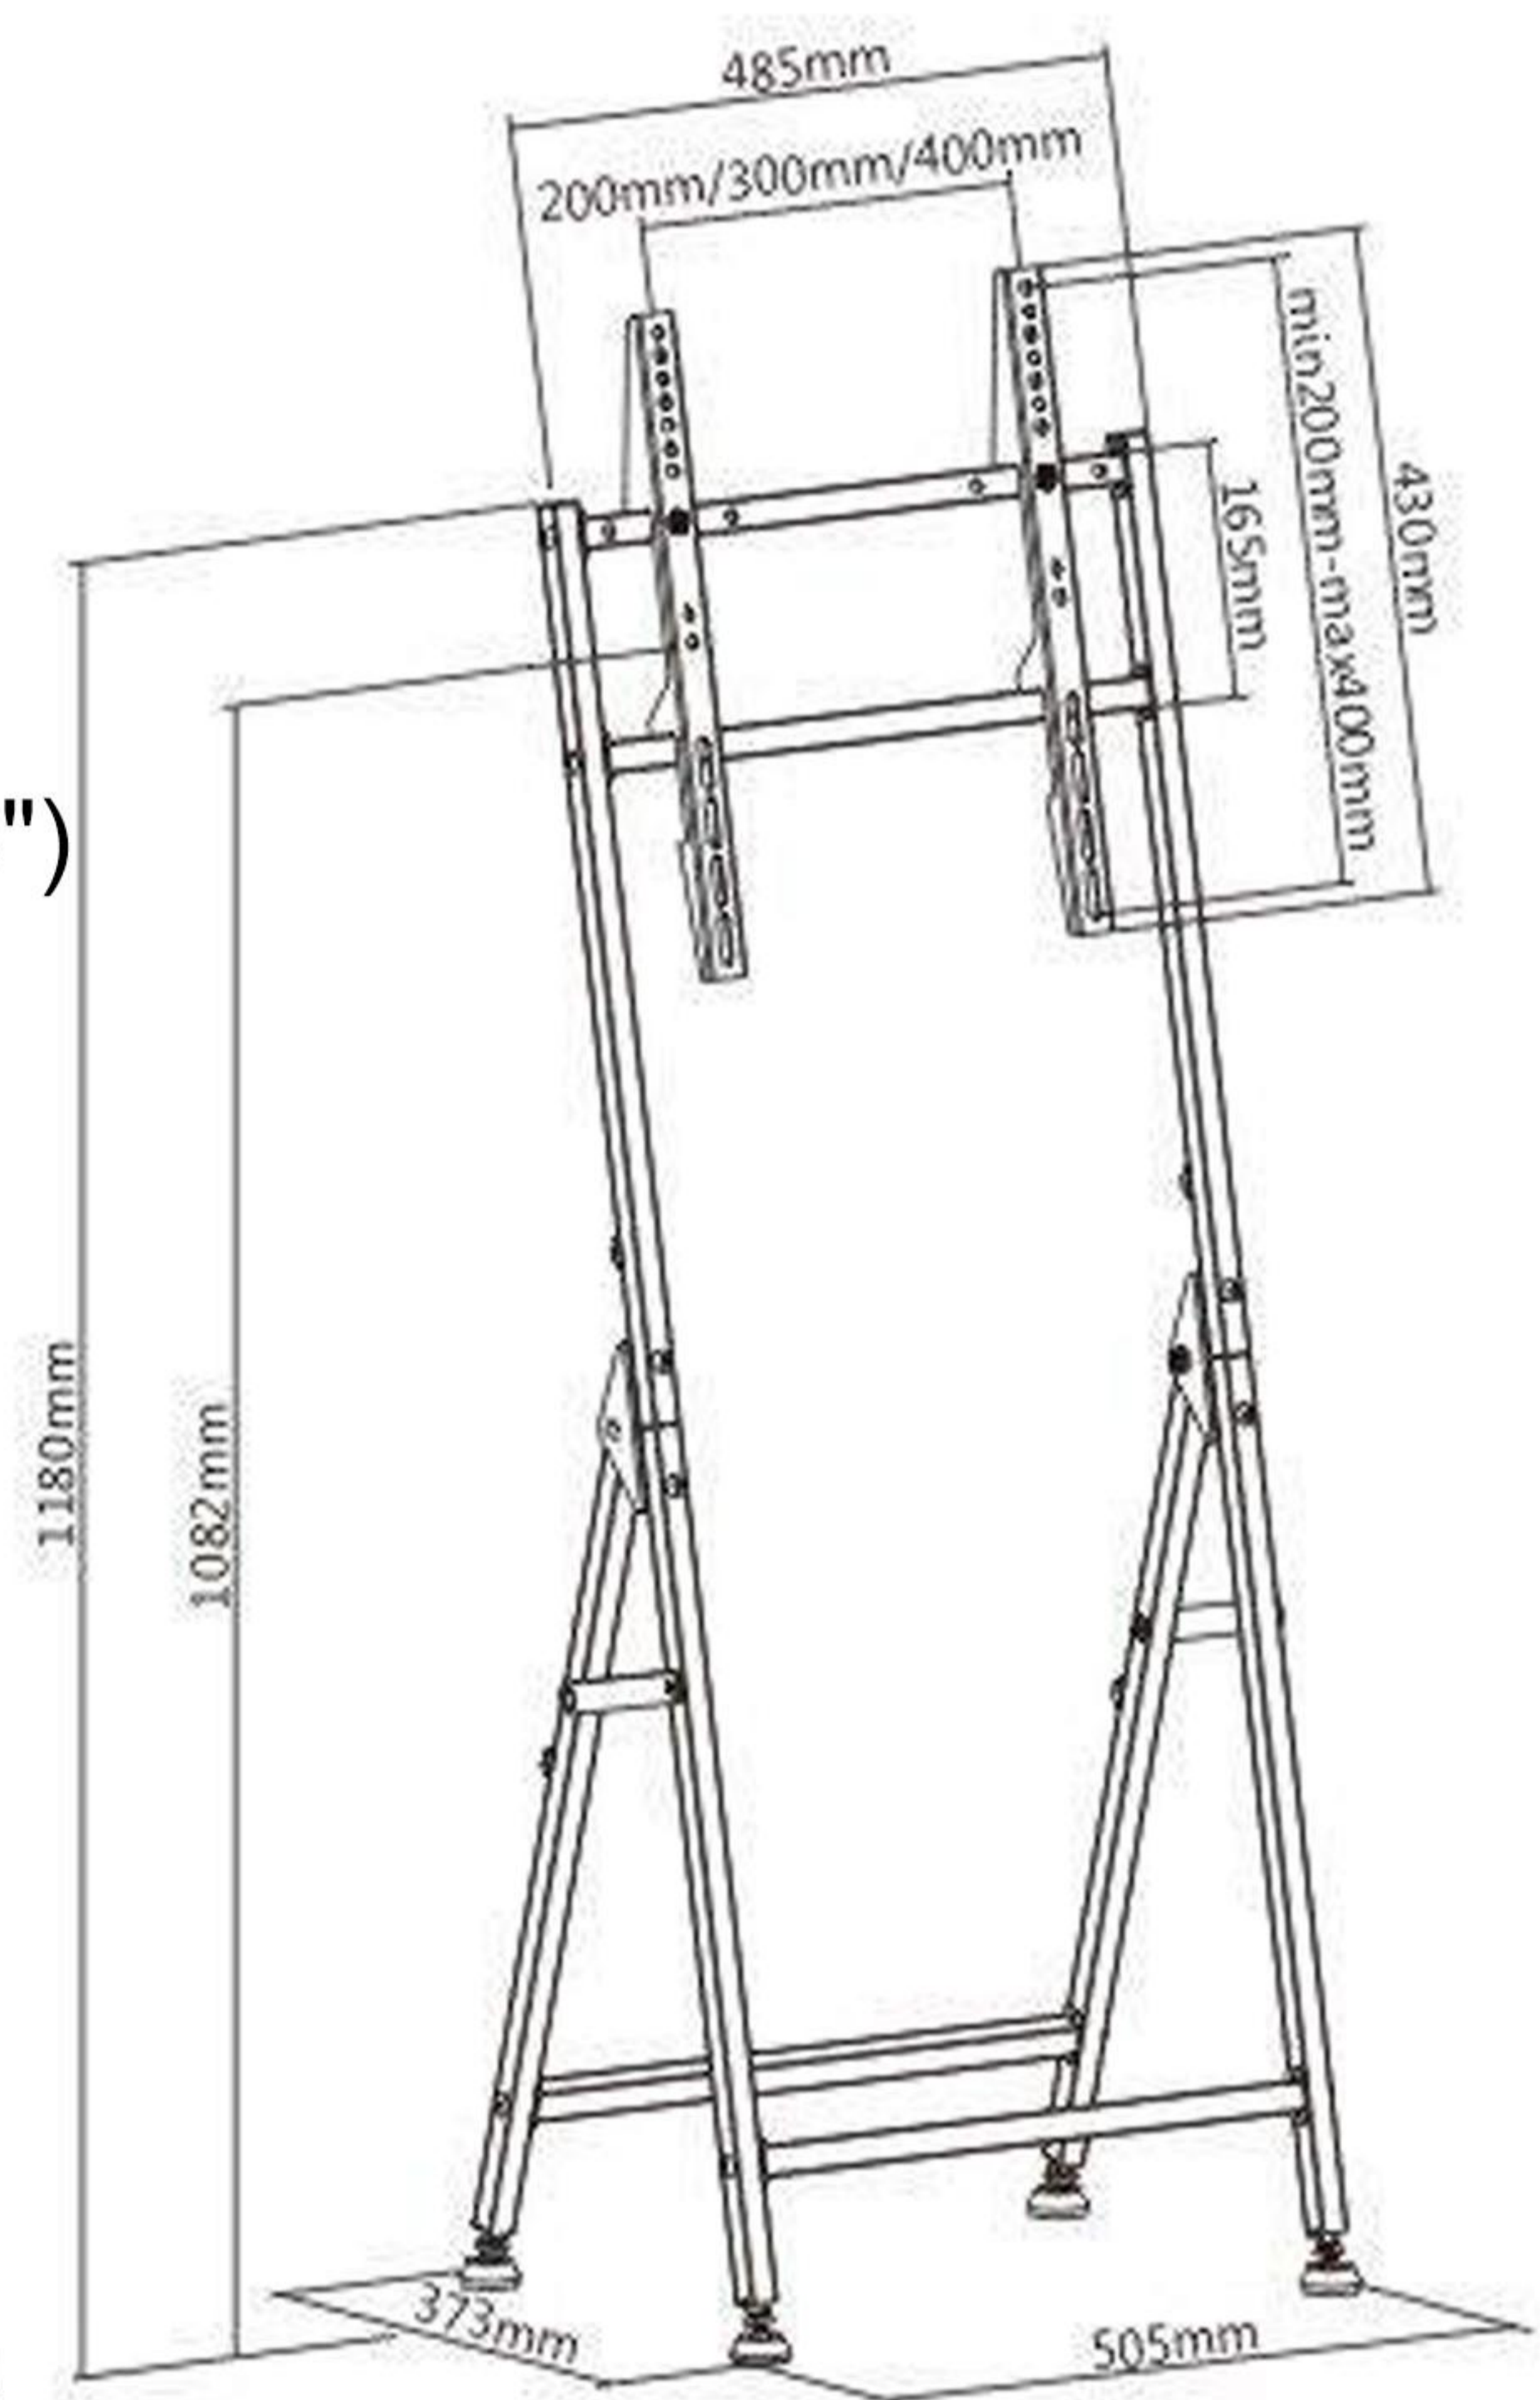

**Folding Design:** saves space (keeping the screen and arm out of the way when not in use)

Works in landscape or portrait orientation
