

Product Manual

Product No.:BR 23009CQ

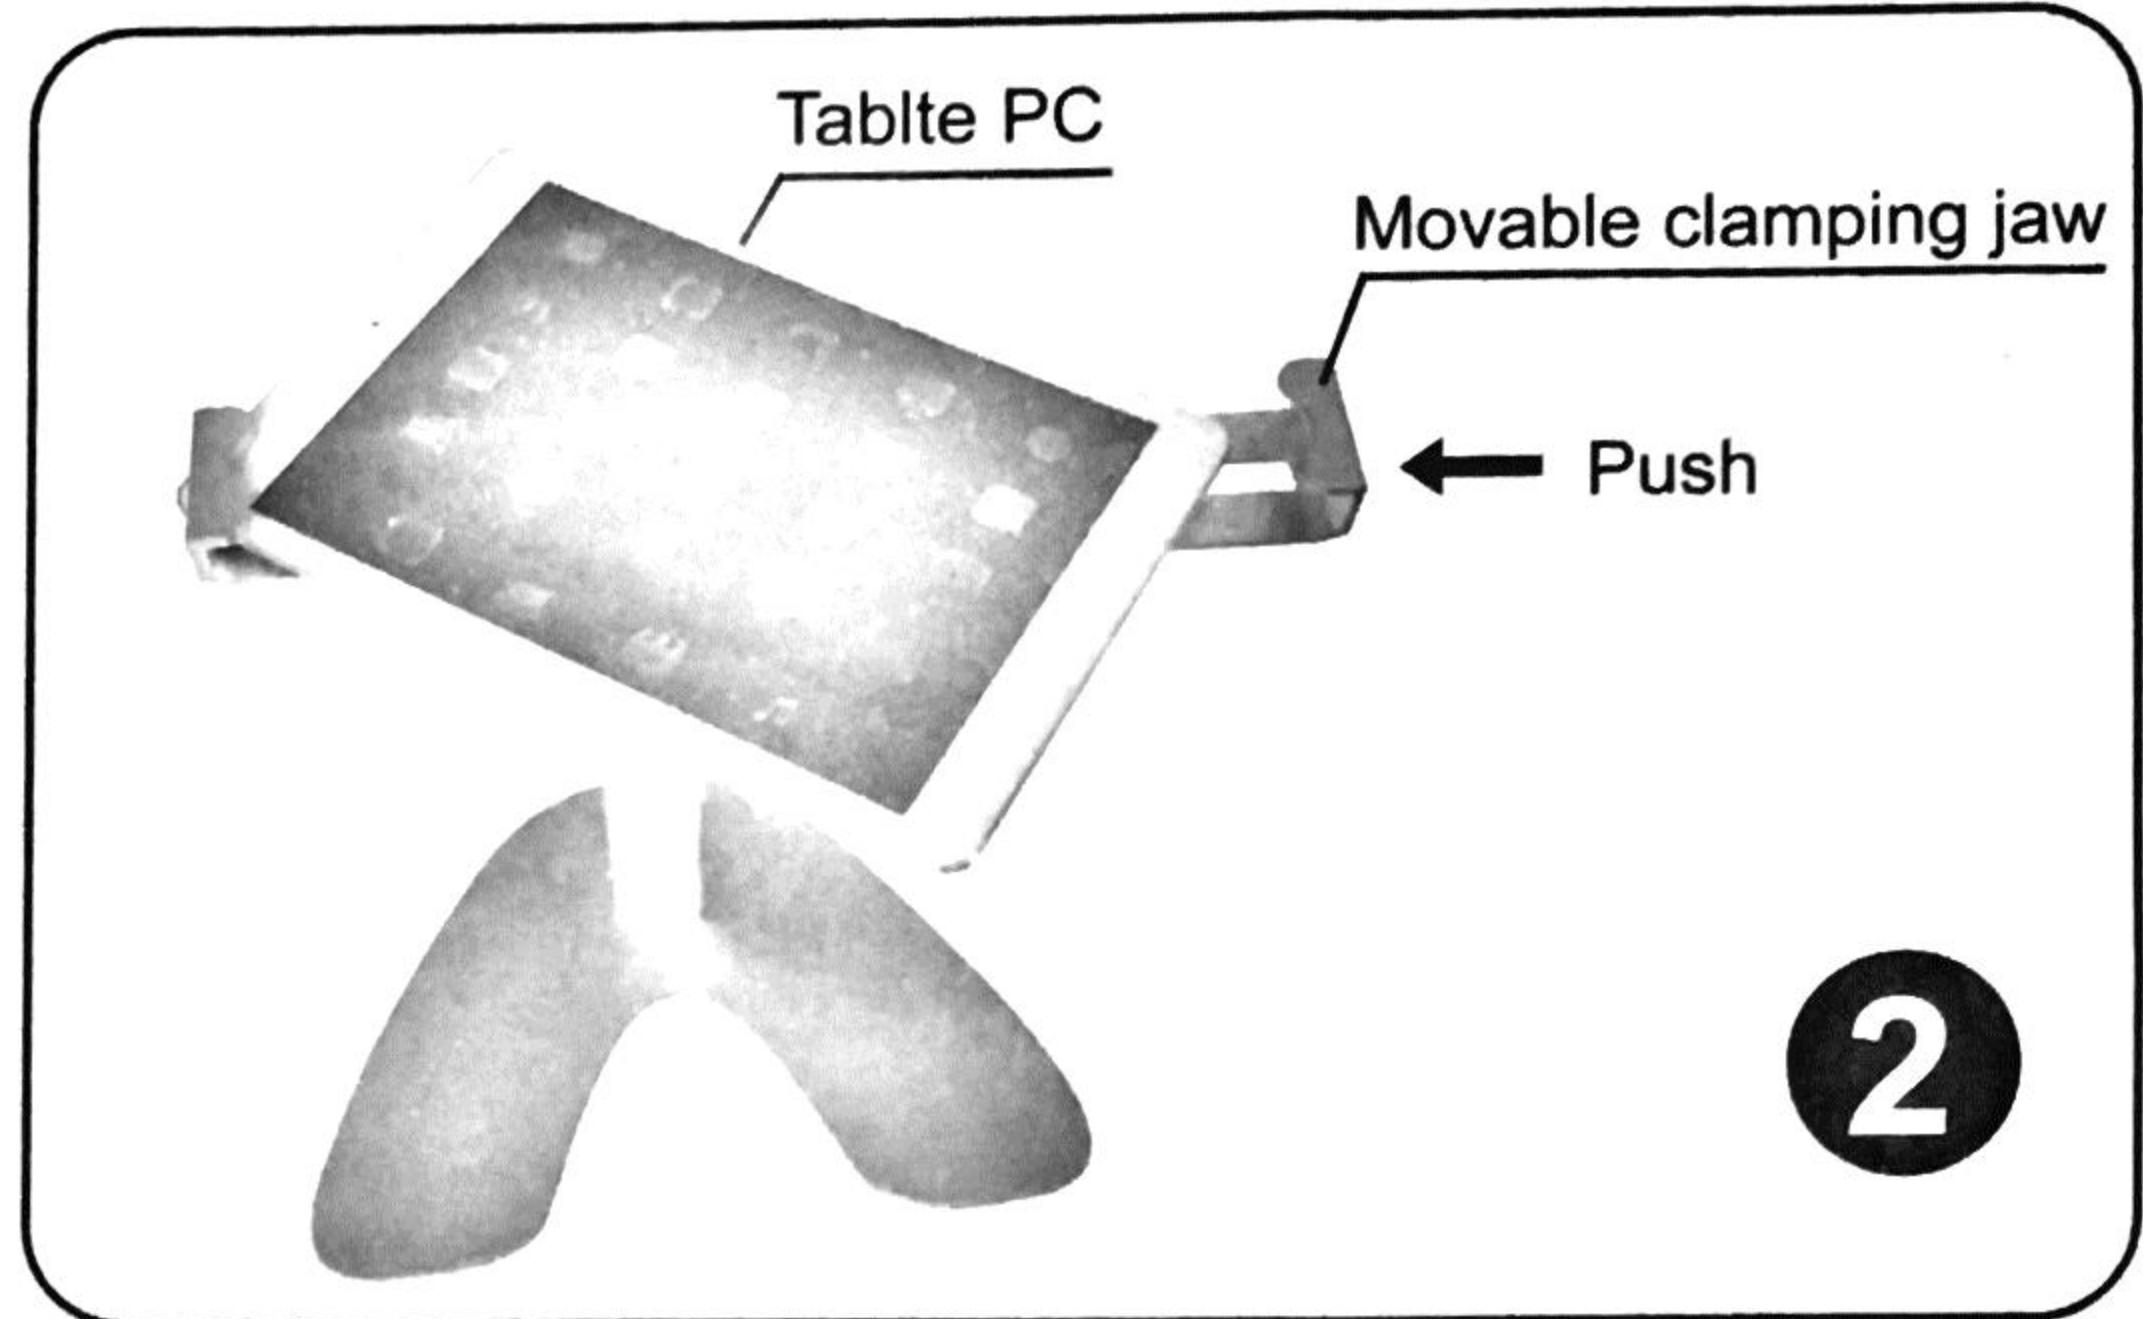

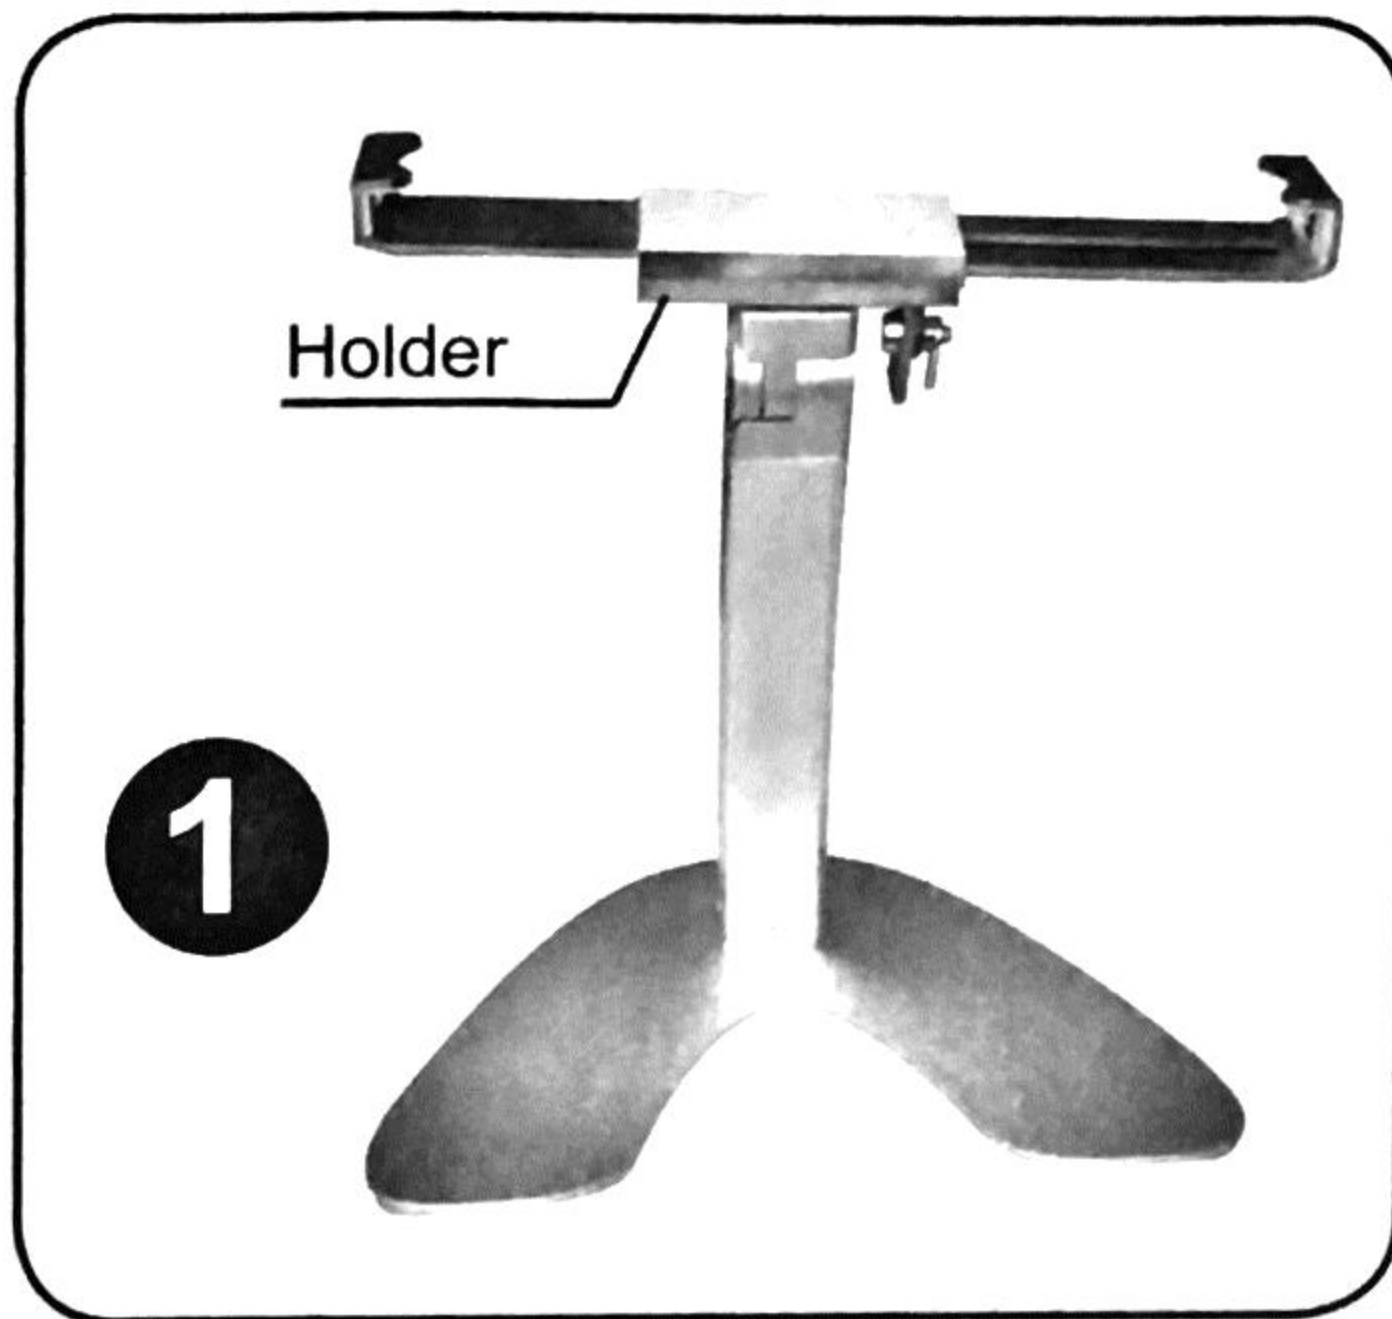

Product Name: Tablet PC stand - Desktop Model with V-shape Base

Package Contents(Afeer Assemble)

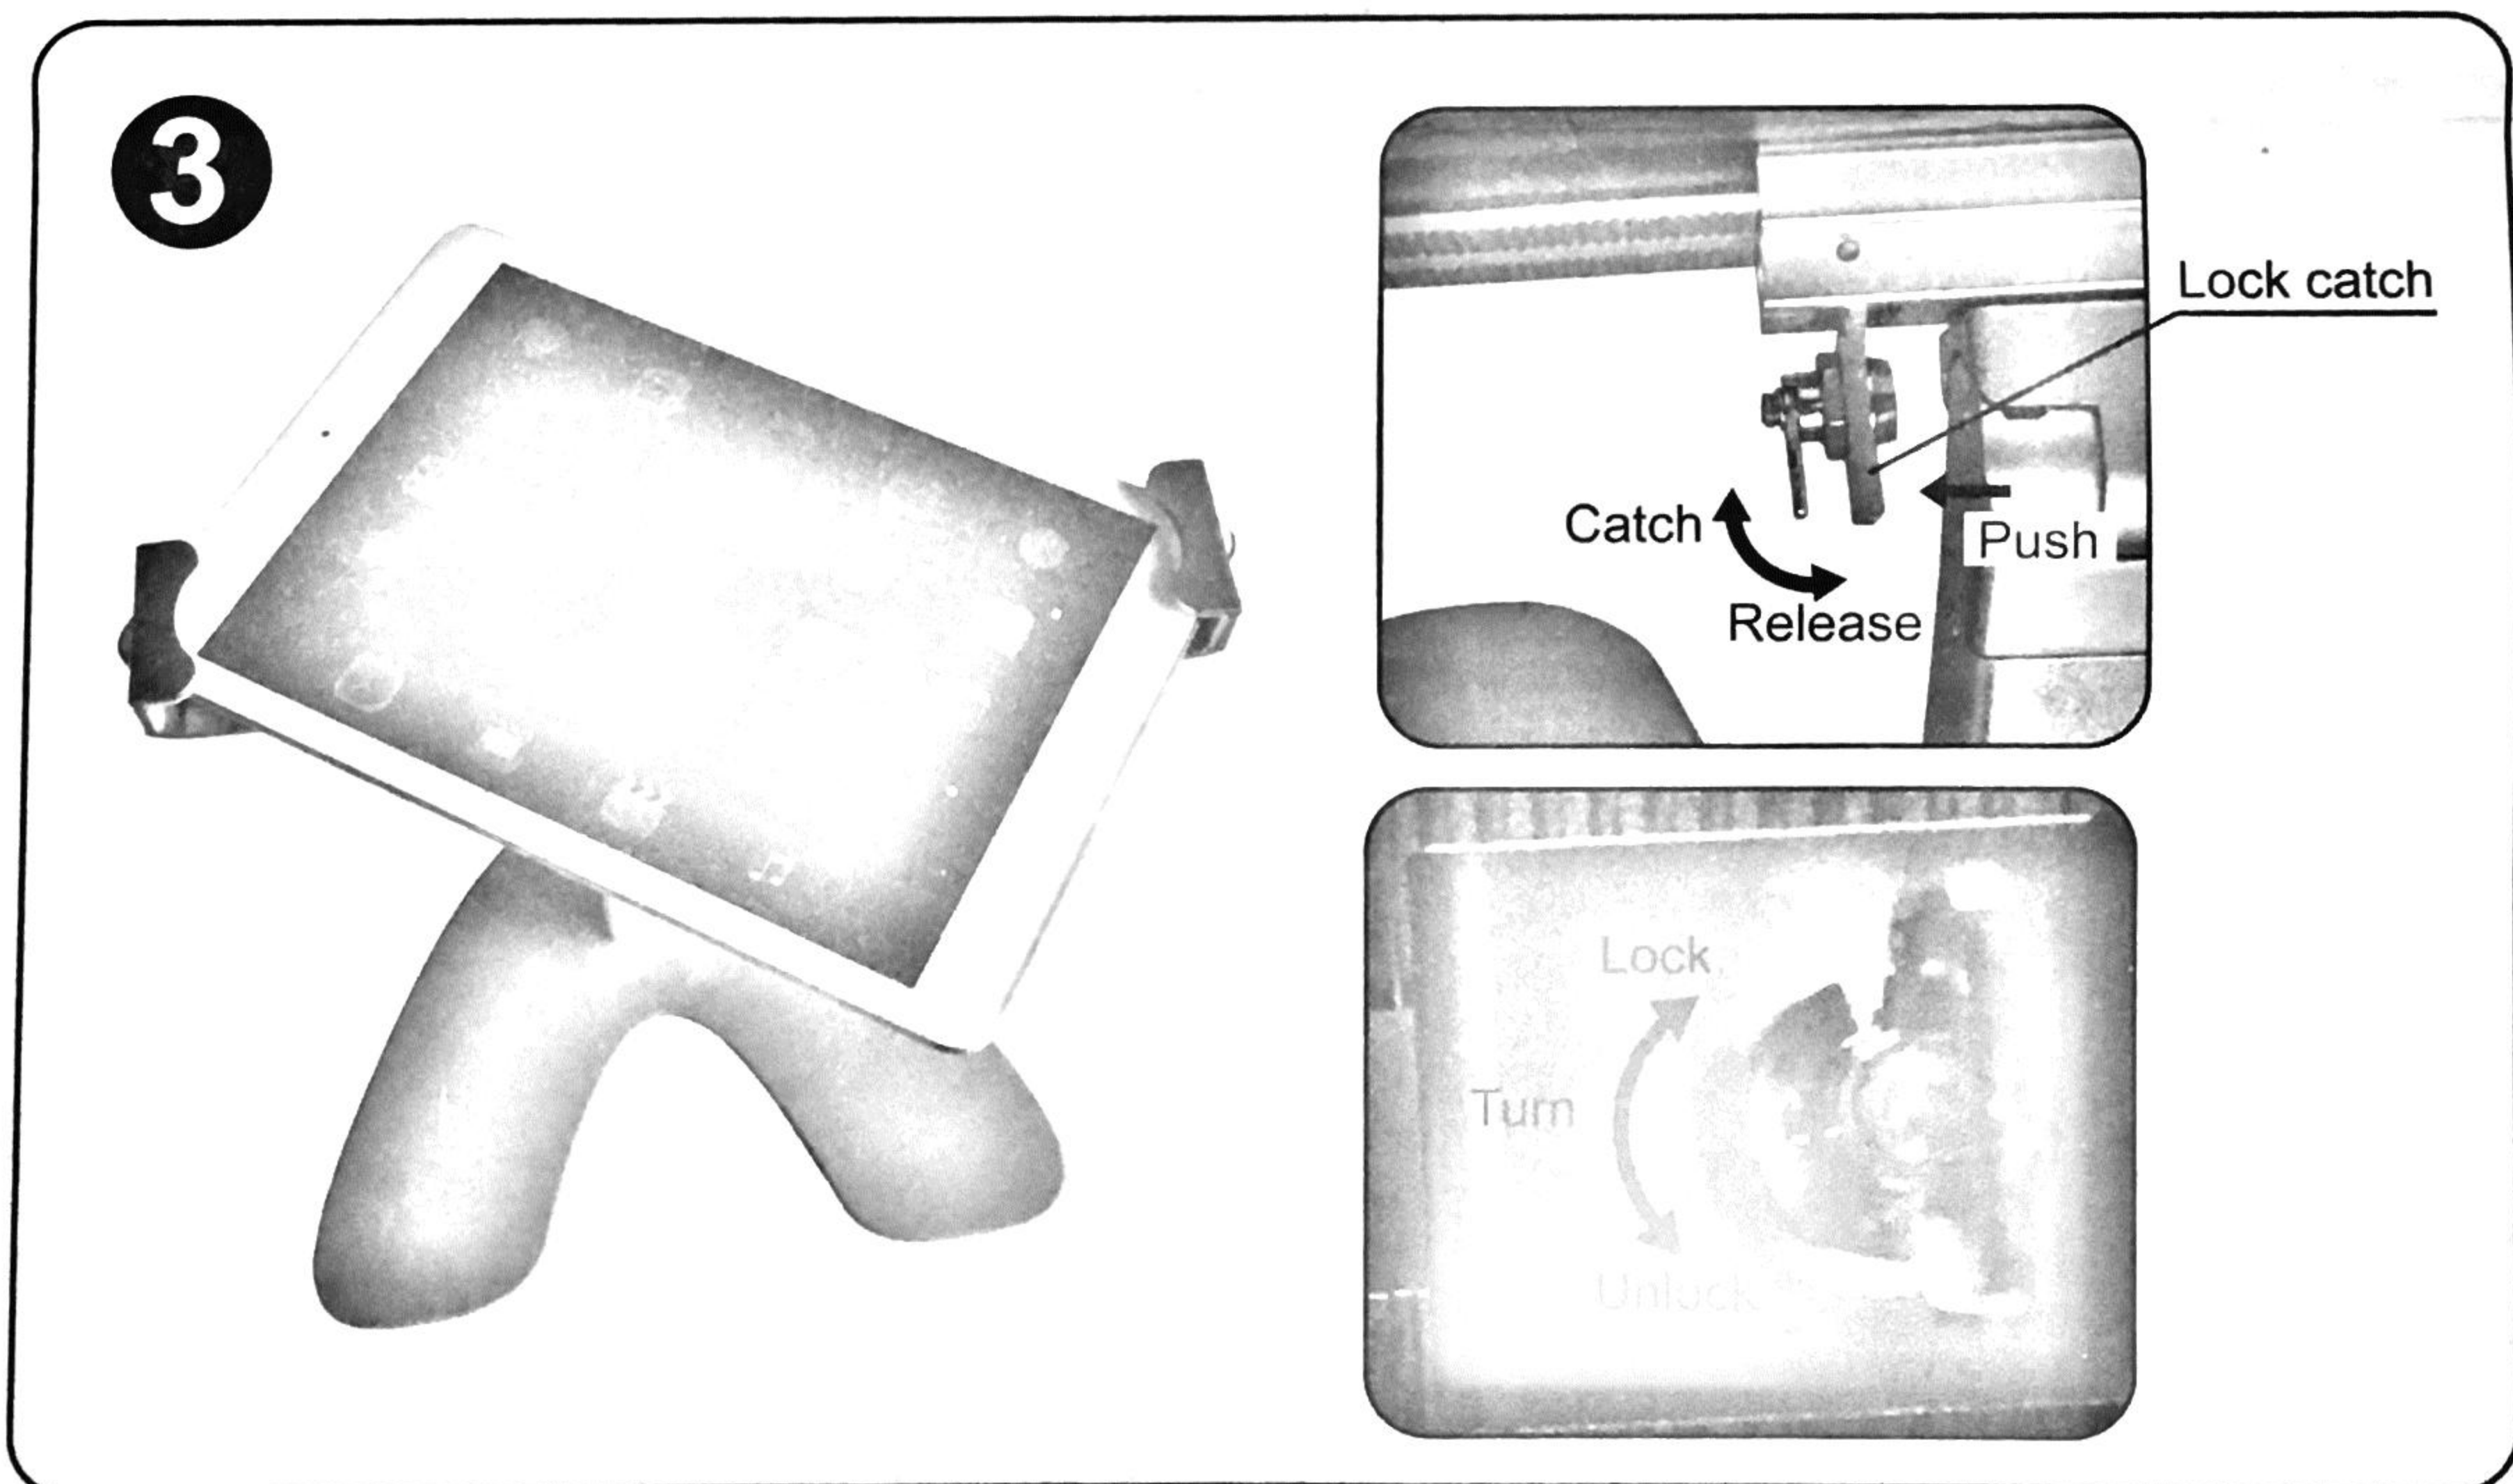

To use the stand:

- 1) Place the Stand on the flat surface, such as desktop. And then adjust the holder onto the horizontal position.
- 2) Put the Tablet PC into the holder vertically, adjust the movable clamping jaw to clamp the Tablet PC in the diagonal direction.

- 3) Push the lock catch on the holder back to catch the movable clamping jaw after the Tablet PC is clamped by the jaw and then turn the key to lock it.

- 4) To avoid the Tablet PC dropping, please make sure the Tablet PC has been clamped securely before adjusting the holder angle you need.
